### Description

Erwin Hymer Centre Travelworld are proud to present the next generation in motorhoming - the HYMER B Class Master Line! This 880 model is the largest in the HYMER range and includes the world first SLC Tag axle chassis developed in combination with Alko and HYMER. This vehicle is based on the new Mercedes Sprinter chassis and includes many of their assistance packages and driving technology, these include MBUX multimedia system, key less start and 9G automatic transmission. HYMER have also included a range of their patented technologies - Pual 2.0 wood free aluminium sandwich construction and SLC chassis with deep double floor and low centre of gravity.
