Description

A rare opportunity to own a highly specified MLT with ultra low mileage and only one owner from new! This 560 has a rear transverse bed and L shape seating group, also including a huge rear garage - perfect for those long expeditions. Its particularly hard to find MLTs with this level of equipment including 3.0L V6 190hp Mercedes engine, full metallic paint work and 7G automatic transmission. This example won't be around for long, if you have any more questions please call on 01785 878787.
