# 60 YEARS OF PROGRESS

*HYMER has shaped the motorhoming industry like no other company. Decades of innovation, passion and tradition have made it what it is today: one of the most popular and successful brands among discerning travel enthusiasts. The latest fruits of that labour are the two anniversary models HYMER ML-T 570 and Hypermobil ML-I 570 in the "60 Edition". As befits the occasion, these luxury vehicles come with a comprehensive care-free package, leading the way once again in terms of design and technology. And all this despite weighing less than 3.5 tons.*

1957 — 1961 — 1971 — 1976 — 1978 — 1981 — 1986 — 1995

*Erich Bachem ("ERIBA") and Erwin Hymer build the original "Troll", the first caravan.*

*The first hand-built HYMER motorhome, the Caravano, makes its debut.*

*The first Hypermobil is built and presented at the Caravan Salon.*

*The Hypermobil 521 with pull-down double bed in the cab becomes a bestseller.*

*The innovative PUAL body shell is developed and proves its stability.*

*The HYMER B-Class is introduced and develops over the following years into Europe's most popular motorhome.*

*HYMER becomes the first manufacturer to grant a 6-year water ingress warranty on its motorhomes.*

*HYMER presents the new S-Class and becomes the first company in the industry to be certified according to ISO 9001 on the strength of its high product quality.*

2004 — 2007 — 2011 — 2012 — 2014 — 2015 — 2016 — 2017

*In October, the 100,000th Hymer motorhome rolls off the production line in Bad Waldsee.*

*HYMER's 50th anniversary is honoured with an anniversary edition of the B-Class SL in gold.*

*Opening of the Erwin Hymer Museum opposite the company headquarters in Bad Waldsee.*

*Lightweight design from Bad Waldsee – HYMER puts its stamp on the 3-ton class and sets new standards within the industry.*

*Europe's leading manufacturer produces the 150,000th HYMER motorhome.*

*A new milestone: the Hypermobil ML-I – an integrated motorhome on a Mercedes-Benz chassis weighing less than 3.5 tons.*

*A hard act for our competitors to follow: The Hypermobil B-Class DynamicLine with a weight of well under 3.5 tons.*

*60 years on the move: HYMER celebrates its anniversary.*
