01) TV prewiring included when ordering universal awning socket, but without final fittings.
02) Only available in combination with water tank.
03) Familia 320: External stowage compartment flap is NOT possible in combination with gas boiler.
Triton 430: External stowage compartment flap on the LH side is NOT possible in combination with gas boiler.
04) With foldable nightstand board and removable free-standing table as well as supplementary upholstery parts for conversion into a round seating group. Extendable bed base/back seat with Velcro (divided) to enlarge the sleeping area. Removable nightstand.
05) Anti-Sway-System, storage tub underfloor, Mover (electric raising/lowering) and 40 l waste water tank cancel each other. Only one of these positions can be ordered.
06) When ordering a mover, ordering the electro autonomy package is mandatory.
08) When ordering the autonomy package, the 230 V hot air blower (optional in some cases) is replaced by a 12 V hot air blower.
11) The options electric water boiler with 5 l water content and 10 l gas boiler cancel each other. Only one of these options can be ordered.
20) The tyre size is dependent on the chassis.
