Dear Motorhome Owner,

Live out wanderlust and a sense of home simultaneously. Can this be possible?

Travel to other countries; experience other habits and customs, different culinary specialities, plants and animals we don't know, other lights and colours. Immerse into a world full of fascination for new things, into a game of thousand opportunities, into the scent of freedom. And nonetheless wake up in your own bed every morning.

Can this only be a dream?

Get to know the world of mobile holidaying in a HYMER motorhome. Your HYMER motorhome offers you a piece of home and security all over the world, wherever you are.

To achieve this we work with high motivation and a lot of expertise on the comfort of our motorhomes, on safety and innovative technologies. Being aware that we are the pioneers of mobile holidaying and all this in line with our long tradition: It is our aim to enable you to your dream of a piece of home away from home, under optimum conditions of travel.

Dive into the world of mobile holidaying. Convince yourself of our individual layouts and solutions. Enjoy the harmony of wanderlust and a sense of home that no one else can combine as well as HYMER.

On the following two pages you will get a quick overview of the new HYMER vehicle classes Comfort, Comfort plus, Superior and Deluxe. We wish you a wonderful time of discovering, stress relieving and enjoyment.

Welcome to the world of HYMER.

Karsten Berg
Head of Sales HYMER

Standard Equipment HYMER B-Class DL

- Basis
- 6 gears
 - Driver and passenger airbags
 - ABS (anti-lock braking system) / EBD (electronic brake force distribution)
 - LED daytime running light and LED indicator integrated in HYMER head lamps
 - ESP incl. ASR, Traction Plus and Hill Holder
 - Suspended exterior mirrors in vehicle colour, electrically heated and adjustable incl. wide-angle mirror
 - Mud flaps on front and rear axle
 - Cup holder for driver and passenger
 - Fiat Ducato Multijet 96 KW/ 130 HP, Euro 6
 - AL-KO low-frame chassis

- Superstructure
- Premium Hightech body construction: alloy/alloy PUAL-Sandwich for optimal insulation - fully glued without cold bridges, 100 % wood-free
 - HYMER frosted glass roof vent 40 x 40 cm with blackout blind and flyscreen above separate shower
 - Rear decals
 - Exclusive HYMER multifunctional rear light units in LED-Hybrid technology
 - External flap on driver's side to load L-shaped seating group (depending on layout)
 - Optimal insulation thanks to the approved PUAL body construction with foamed walls, foamed roof (34 mm roof- and wall thickness) as well as framed windows
 - Large garage doors on RH and LH side
 - Garage loading capacities up to 350 kg (optional 450 kg). Please note the axle loads.
 - HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
 - Heated double floor incl. basement boxes
 - 60 cm Maxi habitation door with inner shell
 - Cab blinds made of high quality pleated material
 - Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
 - GRP roof coating (GRP roof coating doesn't match the exterior finish. The surface of the GRP coating is different to a painted exterior wall)
 - GRP light construction floor with XPS insulation
 - Hinged window, rear, RH and LH side with blackout blind and flyscreen (depending on layout)
 - HYMER frosted glass roof vent 40 x 40 cm with blackout blind and flyscreen in bathroom
 - HYMER clear glass roof vent 40 x 40 cm with blackout blind and flyscreen above rear bed(s).
 - LED awning light with rain deflector
 - Quick-starter compartment beneath kitchen (depending on layout)
 - Electric entrance step, 1-stepped

- Outfitting
- Sleeping comfort system with cup-slatted bed frame and multizone cold foam mattress for pull-down bed
 - Ergoflex pilot seats in living area fabric, swivel, height and tilt adjustable
 - Luxury table: 360° rotatable, longitudinally and transversably displaceable
 - Sleeping comfort system with cup-slatted bed frame and multizone cold foam mattress(es) for rear bed(s)
 - Comfort L-shaped seating group with lounge cushions and 2 integrated 3-point belts
 - Pull-down bed, manual

- Heating / A/C / On-board systems
- Gas bottle compartment with access via the exterior door / flap
 - Counter illumination in LED
 - Reinforced battery 12 V 95 Ah AGM
 - Electric waste water tank drain with dashboard switch
 - Waste water tank 130 l, insulated and heated
 - LCD control panel for heating including iNet ready
 - Fresh water tank 20/150 l, insulated and heated
 - Night lighting with toggle switch
 - New cab heating concept with enhanced warm air heating incl. heated dashboard when vehicle is not driving
 - Warm air heating 6 kW with warm water boiler
 - Complete interior illumination in LED
 - Warm air heating, adjustable separately in the rear bedroom

- Multimedia
- Radio-/ TV provision on sideboard incl. 12 V and 230 V socket, 2 loudspeakers in cab, 2 loudspeakers front bed, 2 loudspeakers rear bed, Radio- and DVB-T2 antenna
 - Radio-/ TV-provision on sideboard incl. 12 V and 230 V socket, 2 loudspeakers in cab, 2 loudspeakers front bed, 2 loudspeakers in the rear, Radio- and DVB-T2 antenna (584)
 - Radio-/ TV-provision incl. 12 V and 230 V socket, 2 loudspeakers in cab, 2 loudspeakers front bed, 2 loudspeakers in the rear, Radio- and DVB-T2 antenna

- Kitchen
- Extra wide, free distinguishable kitchen drawers
 - Acrylic glass wall panelling as splashback
 - Servo-Soft close in kitchen

Standard Equipment HYMER StarLine

- Basis
- Mud flaps on front and rear axle
 - Suspended exterior mirrors in vehicle colour, electrically heated and adjustable incl. wide-angle mirror
 - Comfort safety chassis
 - Daytime running light, integrated in HYMER head lamps
 - Cruise Control
 - ABS (anti-lock braking system) / ASR (anti slip control) / EBV (electronic brake force distribution) and ESP (electronic stability program)
 - Driver and passenger airbags (Please consider: It is not allowed to fix child seats with restraint system on passenger seat with airbag.)
 - Heavy duty alternator 14 V / 180 A
 - Multifunctional steering wheel with trip computer
 - Mercedes-Benz 516 CDI, 120 KW/ 163 HP, Euro VI
 - Air conditioning Tempmatik

- Superstructure
- Cab door with electric power windows and illuminated entry
 - Cab blinds made of high quality pleated material
 - GRP roof coating (GRP roof coating doesn't match the exterior finish. The surface of the GRP coating is different to a painted exterior wall)
 - HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
 - HYMER frosted glass roof vent 40 x 40 cm with blackout blind and flyscreen above separate shower
 - HYMER clear glass roof vent 40 x 40 cm with blackout blind and flyscreen above rear bed(s).
 - Comfort habitation door with window and inner shell
 - LED awning light with rain deflector
 - Large garage doors on RH and LH side
 - GRP light construction floor with XPS insulation
 - HYMER frosted glass roof vent 40 x 40 cm with blackout blind and flyscreen in bathroom
 - Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
 - Hinged window, rear, RH and LH side with blackout blind and flyscreen (depending on layout)
 - Electric step for cab door (automatic slide-out when opening cab door)
 - Garage loading capacities up to 450 kg. Please note the axle loads.
 - Heated double floor incl. basement boxes
 - Maxi stowage compartment under L-shaped seating group with flap to load from outside
 - Electric step, 2-stepped

- Outfitting
- Comfort L-shaped seating group with lounge cushions and 2 integrated 3-point belts
 - Wooden shower slats
 - Sleeping comfort system with cup-slatted bed frame and multizone cold foam mattress for pull-down bed
 - Luxury table: 360° rotatable, longitudinally and transversably displaceable
 - Sleeping comfort system with cup-slatted bed frame and multizone cold foam mattress(es) for rear bed(s)
 - Pull-down bed, manual
 - Mosquito net blind on habitation door
 - Additional cushion between longitudinal single beds with extendable ladder (split cushion)
 - Ergoflex pilot seats in living area fabric, swivel, with electric lift (15 cm)

- Heating / A/C / On-board systems
- Reinforced battery 12 V 95 Ah AGM
 - Electric waste water tank drain
 - Heat exchanger for warm water heating
 - Fresh water tank 20/170 l, insulated and heated
 - Counter illumination in LED
 - Complete interior illumination in LED
 - Ambiance illumination
 - Waste water tank 140 l, insulated and heated
 - Warm water heating (incl. booster in driver's cabin) incl. dashboard convectors
 - Night lighting with toggle switch

- Multimedia
- Flat screen bracket in living area
 - Radio-/ TV-provision on sideboard incl. 12 V and 230 V socket, 2 loudspeakers in cab, 2 loudspeakers front bed, 2 loudspeakers in rear bedroom, Radio- and DVB-T2 antenna

- Kitchen
- Kitchen equipment slide-out
 - Jumbo fridge 160 l
 - Kitchen worktop made of solid surface
 - Servo-Soft close in kitchen
 - Extra deep sink with fitted cutting board and high water tap
 - Acrylic glass wall panelling as splashback

Standard Equipment HYMER DuoMobil 634

- Basis
- Daytime running light, integrated in HYMER head lamps
 - 6 gears
 - ABS (anti-lock braking system) / EBD (electronic brake force distribution)
 - Driver and passenger airbags
 - AL-KO frame
 - Mud flaps on front and rear axle
 - ESP incl. ASR, Traction Plus and Hill Holder
 - Central locking for driver / habitation as well as garage doors
 - Goldschmitt special coil springs for front axle
 - Automatic air conditioning with pollen filter, engine-driven
 - Fiat Ducato Maxi Multijet 110 KW/ 150 HP, Euro 6
 - Suspended exterior mirrors in vehicle colour, electrically heated and adjustable incl. wide-angle mirror
 - Cruise Control
 - Fog lights

- Superstructure
- Hinged window, rear, RH and LH side incl. blackout blind and flyscreen
 - Roof vent 40 x 40 cm with blackout blind and flyscreen above pull-down bed
 - Garage loading capacities up to 450 kg. Please note the axle loads.
 - Graphics in brushed Titanium filling
 - Cab blinds made of high quality pleated material
 - HYMER frosted glass roof vent 40 x 40 cm with blackout blind and flyscreen in bathroom
 - GRP light construction floor with XPS insulation
 - LED awning light with rain deflector
 - Optimal insulation thanks to the approved PUAL body construction with foamed walls, foamed roof (35 mm roof- and wall thickness) as well as framed windows
 - HYMER frosted glass roof vent 40 x 40 cm with blackout blind and flyscreen above separate shower
 - GRP roof coating (GRP roof coating doesn't match the exterior finish. The surface of the GRP coating is different to a painted exterior wall)
 - Heated double floor incl. basement boxes
 - Electric step for cab door (automatic slide-out when opening cab door)
 - Cab door with electric power windows and illuminated entry
 - HYMER Panorama roof vent 80 x 50 cm with LED illumination above round seating group
 - Comfort habitation door with window and inner shell
 - Hinged window, rear, incl. blackout blind and flyscreen
 - Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
 - Large garage doors on RH and LH side
 - Roof vent 40 x 40 cm with blackout blind and flyscreen above dressing room
 - Electric step, 2-stepped
 - Insulating glazing for cab side windows and driver's door
 - Provision for 3rd and 4th seat

- Outfitting
- Laundry bag
 - 2 illuminated glass cabinets on the rear board
 - Wooden shower slats
 - Luxury table: 360° rotatable, longitudinally and transversably displaceable
 - Towel dryer cabinet
 - 2 shoe compartments in the entrance area incl. shoe compartments in both steps at the rear bed
 - Medicine cabinet
 - Mosquito net blind on habitation door
 - Laptop and charger compartment in the large rearboard with 12 V / 230 V and USB sockets
 - Ceramic toilet Thetford
 - Easy access to multifunctional pull-down bed via 2 steps

- Heating / A/C / On-board systems
- Reinforced battery 12 V 160 Ah Gel
 - Complete interior illumination in LED
 - Warm water heating (incl. booster in driver's cabin) incl. dashboard convectors
 - Electric waste water tank drain
 - Heat exchanger for warm water heating
 - Ambiance illumination and dimmable ceiling light
 - Light Central Bedside Control, \"Lights off\"
 - Ambiance illumination
 - Night lighting with toggle switch
 - Waste water tank 175 l, insulated and heated
 - Fresh water tank 20/190 l, insulated and heated

- Multimedia
- Flat screen bracket in living area
 - Radio-/ TV-provision incl. 12 V and 230 V socket, 6 loudspeakers, Radio and DVB-T2 antenna

- Kitchen
- Extra deep sink with fitted cutting board and high water tap
 - Servo-Soft close in kitchen
 - Jumbo fridge 160 l
 - Acrylic glass wall panelling as splashback
 - Electric central locking for kitchen drawers
 - Electric kitchen equipment slide-out

Information

Important information

Important notes:
All prices include an "On the Road Charge" including PDI inspection, first Registration fee, 12 months road tax, number plates and transport from Germany.

Any change in the original factory condition of your vehicle may impair vehicle handling and traffic safety.

Accessories and original spare parts recommended by Hymer GmbH & Co. KG are specially designed for your vehicle and approved by us. Your HYMER dealers offers these products and can provide you with information on technical specifications and carry out the necessary work professionally. Accessories, add-on parts and conversion parts not approved by Hymer GmbH & Co. KG may cause damage to your vehicle or impair traffic safety. Even if an expert's report, a homologation certificate or a type test certificate is available for this part, it does not imply that the nature of the product is in order.

We hope you appreciate that Hymer GmbH & Co. KG can accept no liability for damage caused by products not approved by Hymer GmbH & Co. KG or by unauthorised changes made to the vehicle.

Weight specifications are approximate. The payload quoted in the pricelist is reduced by the weights quoted in the price list when optional extras are fitted.

Specifications on scope of supply, dimensions and weights of vehicles are subject to deviations within factory tolerances (+/-5%) and permissible. They are correct to the knowledge available at the time of going to press and European homologation provisions. They may change up to the time of vehicle purchase or delivery. Your HYMER dealer will gladly provide you with information on changes and the standard scope of delivery.

Please remember that the specified axle loads must be complied with in particular when rear add-on parts, such as motorbike rack or towbar are fitted.

Prices quoted for optional extras are only valid as part of the Standard new production. Retrofitting certain optional extras is not possible in some cases and may entail considerable extra costs.

This price list describes the series status at the time of going to press. Despite careful checking of the contents, printing errors are not excluded. During the course of the model year, we retain the right to make changes to equipment and improvements. Layouts are mainly depicted with optional extras available at an extra charge. They are not part of the standard equipment. The water supply system is state of the art as of 07/2011 (EC Directive 2002/72/EC). Before signing a contract of sale, please ask our authorised HYMER dealer for our current products and series status.

All prices are non-binding recommended sales prices in Sterling ex works including the valid statutory value added tax. Costs of freight, registration or handover are not included.

We reserve the right to change prices, design and equipment.

This price list replaces all previous versions.

Collection by the customer: unfortunately is not possible to collect your motorhome personally

- Technical Data**
- *) Data not available at time of going to press.
 - **) When giving is the maximum trailer load, taking into account the total towing weight. The towing weight is 5,500kg.
With a technically permissible total mass of 3,880kg or 4,200kg in combination with 190 hp, the total towing weight increases to 5,880kg.
 - a) Please note: Any other engine or chassis frame options, e.g. automatic transmission or air conditioning unit, are subject to surcharge and cause the vehicle weight to increase. For chassis frame related optional equipment, the additional weights of the individual chassis frame and/or motor options are given in the respective optional equipment lists.
 - b) Mass in running order according to VO (EU) No. 1230/2012 incl. basic equipment (75 kg for driver, full fuel tank, filled water tank in driving position with 20 l, gas in an aluminium bottle at 100 % and electrical connection cable) in the standard variant. The mass in running order (as well as the possible payload or permitted passengers) changes with different engines or equipment variants or by adding optional extras. Deviations within the scope of the factory tolerances are possible and permissible.
 - d) The specified number of people decreases in relation to the increase in the total vehicle operating weight (b). In addition to this increase is the engine size difference compared to the basic variant, the optional extras fitted and the choice of suitable equipment variants. Refer to the weight specifications in the price list or request them directly from your HYMER dealer to make sure that you do not exceed the maximum permissible total weight and that there is sufficient loading capacity left for persons as well as equipment and materials required.
 - e) Up to 12% gradient: As the height increases, the engine power is inevitably reduced. From 1,000 m above sea level and every additional 1,000 m 10% of the trailer load shall be subtracted from the trailer weight. Taking into account the technically permissible towing weight.
 - f) The overall height for the Fiat Ducato Maxi increases by approx. 5 cm.
 - g) The height is changing when options like Sat-antenna, roof rails etc. are installed. The standard radio roof antenna is not considered in the total height.
 - h) External width is equivalent to the dimension from outer wall to outer wall.
 - i) Total width is equivalent to dimension including wheel arches.

Information

Comments

- 1) T SL 568 and 588: Not possible in combination with Oyster satellite antenna (Code 64633).
- 2) When ordering the lowering double bed (Code 44822 or 44824), we recommend to also order the optional extra sliding windows above the bench seat (Code 33353).
- 4) Maximum payload for bicycle rack: 50 kg.
- 5) Use of motorcycle and bicycle rack both at the same time is not possible.
- 6) Tow bar and motorcycle rack cannot be used at the same time. The Jaeger socket is fitted for motorcycle racks and tow bars.
- 7) Tow bar and motorcycle rack cannot be fitted at the same time.
- 8) Tow bar and motorcycle rack can only be fitted together on Mercedes-Benz Chassis 516/519.
- 9) If the lounge seating group is ordered, the table is attached to the wall and can be removed if necessary. The back cushion for the short leg of the L-shaped seating is supplied loose.
- 10) Not possible in combination with cooker and oven combination Thetford Aspire (Code 57944) or Caprice (Code 58101).
- 11) Only possible in combination with comfort habitation door (Code 34202).
- 12) Only possible in combination with Mercedes Sprinter 316 CDI or 319 CDI.
- 13) Not possible in combination with GRP roof coating (Code 33505).
- 14) Not possible in combination with motorcycle rack (Code 37680 or 37681).
- 15) Only possible in combination with central locking.
- 16) Not possible in combination with floor tempering (Code 56116) and warm water heating (Code 52882).
- 17) Mounting brackets for awning feet are supplied loose.
- 18) The axle load changes for all-wheel drive: Front axle 1,860 kg instead of 1,940 kg, rear axle 2,250 kg instead of 2,430 kg.
- 19) T-SL 568, 588 or B-DL 678: Not possible in combination with winding roof light (Code 33504).
- 20) Use of child seats with support system on passenger seat with airbag not allowed.
- 21) Only possible in combination with 2nd habitation or 3rd habitation battery.
- 22) Not possible in combination with studded tyres (Code 25307).
- 23) Not possible in combination with solar panels (Code 51715 or 51725).
- 24) Only possible in combination with electric entrance step cab door (Code 32110) and AL-KO frame extension (Code 37688).
- 25) Not possible in combination with sleeping system (Code 44164).
- 26) B-DL 444, 504, 584, 678 or DuoMobil 534: Not possible in combination with roof air con (Code 57948).
- 27) Exsis-t 594: Not possible in combination with solar panels.
- 28) Due to the axle loads, we recommend to order the Maxi Chassis when ordering the motorcycle rack or tow bar for the T-CL 668, 678, 698 as well as the T-SL 668.
- 29) Smart Control: Easy status monitoring of water levels and battery voltage via the control unit of the navigation device.
- 31) Exsis-t 594: Not possible in combination with panorama roof light (Code 33504).
- 33) Only possible in combination with Mercedes-Benz 516 CDI or 519 CDI.
- 34) Exsis-i 474: Not possible in combination with solar panels.
- 35) B-DL 444, 504, 584, 678 or DuoMobil 534: Not possible in combination with electric roof vent (Code 33402).
- 36) Not possible in combination with fog lights (Code 4851), only in combination with Halogen fog lights (Code 4863).
- 37) Exsis-t 474, 594, 678 as well as Exsis-i 474, 594, 678 or T-SL 668: Not possible in combination with roof air con (Code 57948).
- 40) When ordering the rear axle full air suspension, the waste water tank volume reduces from 100 l to approx. 85 l.
- 41) Not possible in combination with TEC-Tower.
- 42) The standing height of the T-CL reduces to approx. 194/180 cm, the one of the ML-T to approx. 180 cm.
- 43) Exsis-i 474: Not possible in combination with roof rack.
- 45) Not possible in combination with cosy package (Code 57987).
- 46) Not possible in combination with exterior colour Crystal-Silver (Code 57378).

- 47) Electric floor tempering is only available in the walk-in area. The pedestal will be heated by warm air and the floor openings will not be heated at all.
- 48) Not possible in combination with Comfort package (Code 57844 for Exsis-i, 58105 for Exsis-i).
- 49) Not possible in combination with roof air con (Code 57948).
- 50) Only possible in combination with wooden slatted frame (Code 44172).
- 52) Exsis-i/t 474: Only possible in combination with Smart-Tower fridge (Code 58657).
- 53) Only possible in combination with chequer plate and felt covering in garage (Code 37267).
- 54) Only possible in combination with warm water floor heating (Code 56121).
- 55) Not possible in combination with Bi-LED headlights (Code 31012).
- 57) Only possible in combination with warm water heating (Code 52882).
- 58) Only possible in combination with cab door (Code 34220).
- 59) Not possible in combination with Code 44161 (Premium round, extendable table)
- 60) When ordering this optional equipment, please consider that the standard equipment will be deleted.
- 61) Not possible in combination with folding bed enlargement (Code 47643).
- 62) Not possible in combination with comfort steadies rear (Code 801).
- 63) Only possible in combination with Fiat diesel heating pre-installation (Code 2392).
- 66) Not possible in combination with warm water heating (Code 52882).
- 69) Not possible in combination with 5th seating place (Code 87947).
- 70) Van 374: Not possible in combination with Comfort rear steadies (Code 801).
- 71) Exsis-t 474, 594, 678 as well as Exsis-i 474, 594, 678 or T-SL 668: Not possible in combination with winding roof light (Code 33504).
- 72) Only possible in combination with L-shaped seating group (Code 42602).
- 73) Only possible in combination with flat screen bracket (Code 43223).
- 74) Van 374: Not possible in combination with motorcycle rack (Code 37681).
- 76) Not possible in combination with roof rack and ruffled aluminium roof plate.
- 77) Only possible in combination with automatic gear (Code 4841).
- 78) Not possible in combination with lifting and tilting roof light (Code 33704).
- 81) The GRP roof coating will not match the vehicle body colour. The surface of the GRP coating quality is not identical with the body paint finish.
- 82) Only possible in combination with Mercedes heat exchanger preparation (Code 4838).
- 83) Manual gearbox in combination with 5 t: Towing weight increases to 7.5 t and tow bar load to 2,500 kg.
- 84) Not possible in combination with spare wheel (Code 25284 or 25286).
- 85) Only possible in combination with car radio or navigation system.
- 86) When ordering the bed conversion kit for L-shaped seating group, the table size reduces by approx. 3 cm.
- 87) When ordering the rear axle full air suspension, the waste water tank capacity reduces from 140 l to approx. 100 l.
- 88) Not possible in combination with sleeping system (Code 44164).
- 89) Only possible in combination with Lounge seating (Code 44184).
- 90) Only possible in combination with radio-/TV provision on tall cupboard (Code 62316).
- 91) When ordering overhead cab cupboards instead of pull-down bed, the standard cab partitioning curtain is not possible.
- 93) Only possible in combination with Aguti Ergoflex pilot seats (Code 42491).
- 94) Not possible in combination with Sound package (Code 62319).
- 95) Not possible in combination with satellite antenna (Code 64664 or 64633).
- 96) Only possible in combination with the 1st LED-TV (Code 62317 or 62334).
