Dethleffs Plus Factors – Explanation of symbols

In the Dethleffs motorhomes, there are a lot of smart ideas and standard comfort features. Here we briefly present the most important ones with the corresponding symbols which can be found on the pages of the vehicle. More detailed information can be found at: www.dethleffs.co.uk/plus-factors

Family benefits

3,5 t Lightweight: 3.5 t vehicles licenced for 4 passengers and sufficient payload capacity

XXL Stay cool! Extra-large fridges with at least 142 litres and freezer compartment

190 l Stay cool! XXL fridge with at least 190 litres and freezer compartment.

Happy Family Family-friendly: At least 4 sleeping berths without additional makeup

Flexible A comfortable pull-down bed offers additional sleeping berths (partly optional)

Added comfort

70 cm Inviting: 70 cm XXL entrance door

"SleepWell": Fixed beds with 7-zone mattresses and ergonomic wooden bed frames.

Put your feet up: Comfortable L-shaped lounge with free-standing table

Freedom of movement: Separate shower and the washing area can be connected to a big bathroom

Easy entrance: Thanks to lowered Coupé entrance step

Added equipment

snow proof Winter expert! Excellent winterisation thanks to the elaborate double floor construction

Winterproof: Heated double floor with frost-protected water installation and additional storage space

RWD Rear Wheel Drive of base chassis

AirPlus For a healthy indoor climate: Optimal rear ventilation of overhead lockers avoids condensation

King of storage: Particularly high rear garages thanks to Dethleffs drop chassis extension

Height-adjustable queens bed: Comfortable entrance to bed or high garage

95 Ah More power: 95 Ah battery with AGM technology for higher performance, longer life and shorter charging time

Added safety

Premium Chassis Safe on the road: Premium broad gauge low platform for secure and dynamic driving experience

Well protected: Robust GRP roof for hail protection

Added longevity

LIFETIME PLUS Long-lasting: Rot-proof body construction without wood inserts and with GRP covered underfloor, roof and rear (rear depending on layout)

LIFETIME SMART Long-lasting: Rot-proof floor construction without wood inserts and with GRP covered underfloor (roof and rear depending on layout)

LIFETIME Lifetime Long-lasting: Proven reliable floor and conversion construction with excellent insulation

Chassis specification

From the model year 2021 Dethleffs use three different chassis brands for their motorhomes: Fiat, Mercedes and Iveco. The following chassis specifications are installed as standard in every Dethleffs vehicle regardless of the model ranges. Further series-dependent standard equipment can be found on the pages of the respective series.

Fiat Chassis

Just 90, Trend, Globebus, Pulse, Pulse Classic 90, Esprit, Alpa (except Grand Alpa Plus) and Globetrotter XL Edition 90

- Front wheel drive
- Steel wheels 16" (except Just 90, Trend A 5887, 6977)
- Fix & Go kit (tire filling set)
- ABS/EBD
- ESP (Electronic Stabilizing Program)
- ASR
- Hill Holder
- Hill Descent Control
- Interruption of fuel supply and retraction of steering column (in case of a collision)
- Anti-theft device and revolution counter
- Day-time running lights integrated into the headlights
- Electrical window lift (for A Class only in conj. with the optional cab door)
- Break-down kit
- Driver airbag
- Booster included for automatic transmission and/or 160/180 hp engines
- Traction +
- Full wheel covers
- Painted front bumpers (except for A Class)

Mercedes Chassis

Globeline

- Rear-wheel drive
- Alloy wheels 16"
- ABS/EBD
- ESP (Electronic Stabilizing Program)
- ASR
- Active brake Assist
- Crosswind Assist
- Lane Keep Assist
- Low beam Assist
- Adaptive brake light
- Keyless start function
- Mercedes Benz emergency call system
- Day-time running lights integrated into the headlights
- Electrical window lift and central locking for cab doors
- Driver airbag
- Adjustable cab mirrors incl. dead angle mirror and integrated turn indicator
- Alternator 200 Ah
- Brake-down kit

Iveco Daily Chassis

Grand Alpa Plus, Globetrotter XXL

- Rear wheel drive with twin tires
- Steel wheels 16"
- Wheel trims
- Spare wheel located under the vehicle rear
- ABS/EBD
- ASR
- Hill Holder
- Hydraulic Brake Assist
- Differential lock for drive axle
- Disc brakes
- Large 90 l fuel tank
- Anti-theft device and revolution counter
- Day-time running lights integrated in the headlights
- Fog lights with static cornering light
- Driver airbag
- Passenger airbag
- Automated cab air-conditioning
- Dash tray with 2 x USB and Aux-in
- Electrical window lift
- Electric. adjustable and heatable cab mirrors
- Hydraulic captain seats
- Seat heating (cab)
- Driver and passenger seats in luxury design, 3-way adjustable and hydraulically sprung
- Alternator 220 Ah
- Break-down kit

102	General Information			

Low Profile models inspire with a low vehicle height and dynamic driving features. They are perfect for exciting journeys. All Low Profile models receive the maximum sleeping berths only in conjunction with the option pull-down bed.

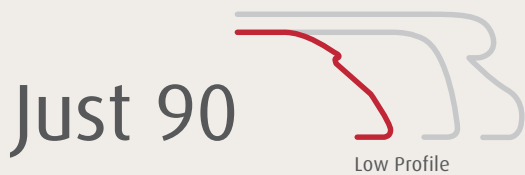

The driving experience with an A Class is beyond comparison: The large panoramic windscreen, the effective sound reduction and the spacious feel combine to make your journey an adventure. All A Class models are equipped with a standard pull-down bed.

The cosy Overcab bed is much loved by children and is also ideal for adults because of its large dimensions. When you do not use the overcab bed for sleeping it can be very useful for storing your holiday implements.

Trend T/I

Plus factors interior

» T/I: Comfortable captain seats with height/inclination adjustment and integrated headrest

» T: Practical, modern and laterally sliding mirror cabinet

» The AirPlus system avoids any condensation.

» The L-shaped lounge can be easily converted to an additional sleeping berth.

» T/I: Cab blinds protect from heat, cold and prying eyes.

» Childproof: Isofix bracket for child seats (option). Not available for T/I 7057 DBL and EBL.

» Large pull-down bed with wooden slatted frame and 7-zone mattress.

» Sophisticated ambience with the advantages of an A Class: even when the bed is pulled down the seating lounge still can be used.

» Practical: Storage compartment in entrance area (depending on model).

» Lounge conversion to belted passenger seats (for T/I 7057 DBL and EBL layouts).

» Quietly closing overhead locker doors. The indirect lighting creates a wonderful and cosy ambience during the evenings

Trend T/I

Plus factors exterior

» 70 cm wide entrance door with window and central locking.

» Large opening skylight in cab.

» T: Stylish safety feature: LED day-time running lights.

» T: Prominent rear moulding.

» I: Easy to service: large engine bay opening for servicing all relevant parts.

» I: modern Dethleffs face.

» I: Coach-style mirrors for an unobstructed field of view.

» T/I 7017: Through-loading possibility under the single beds (95 x 55 cm).

» The garages of the single bed's layout are high and loadable from both sides. Two garage doors are standard

» Clever: Lighting and 230 V socket in rear garage.

» Wood-free and rot-free Lifetime-Smart floor construction (covered with GRP)

Trend A

Plus factors interior

» The classic dinette can also be used without swivelling the driver's and passenger's seats. It can be easily converted to a comfortable bed for two.

» The Overcab bed is loved by children and adults alike (Trend A 7877-2)

» Childproof: Isofix bracket for child seats (option).

» The standard indirect lighting creates a wonderful and cosy ambience during the evenings.

» Quietly closing overhead locker doors.

» Many 230 V sockets in living area and rear garage.

» Dethleffs Naviceiver (option) incl. navigation system and DAB+ radio reception. The display of on-board-control readings is possible.

» Cab blinds protect from heat, cold and prying eyes

» Dethleffs Fiat chassis 9 gear automatic transmission optionally available

Trend A

Plus factors exterior

» Opening window in overcab provides light and air circulation.

» Stylish safety feature: LED daytime running lights.

» Prominent rear moulding.

» 70 cm wide entrance door with electrical entrance step incl. a window and central locking.

» Well protected against hail: durable GRP roof.

» Clever: Lighting and 230 V socket in rear garage.

» Stay safe with the standard ESP and other important driving assistance systems.

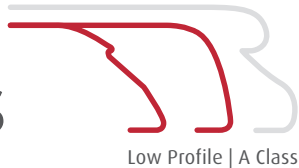

» There is a lot of storage space for your holiday implements and not only in the rear garage (A 7877-2)

» A 7877-2: High double floor with load-through possibility. Furthermore this vehicle basement is perfectly made for protecting the vehicle installations from cold temperatures.

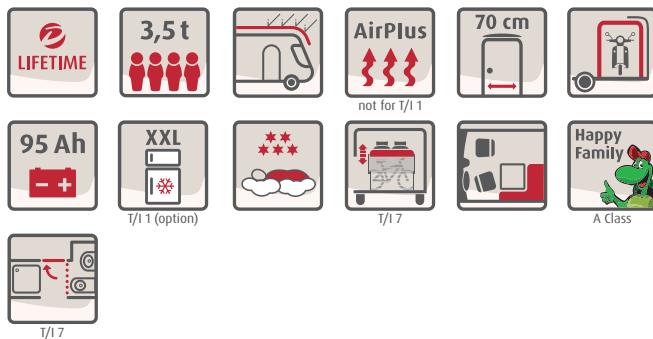

Globebus

Low Profile | A Class

Globebus plus factors

- + Plenty of space in the interior despite a width of only 2,2m
- + Large L-shaped lounge with modern upholstery
- + Robust work surface extension in the kitchen area (not in T/I 7)
- + Exclusive Gran Turismo (GT) Package (optional)
- + Compact and agile

Standard UK specification which is above standard European specification*

- Right hand drive chassis
- LED day-time-running light (T)
- Leather steering wheel and shift knob with leather sleeve
- Instruments in chrome
- Electrical & heated mirrors
- Autom. cab air conditioning
- Cruise control
- Passenger airbag
- Radio pre-wiring with Sound Package
- Cab door left (I)
- Cab blinds (T)
- Panoramic skylight 70x50 cm incl. roof lining in living area (T)
- Panoramic skylight 75x105 cm incl. illuminated roof lining in living area (I)
- Habitation door with window and central locking
- On-board control panel luxus

- Insulated waste water tank
- Ambience illumination
- Full UK specification incl. UK gas and UK electrics
- Combi 6 E heating with integrated 10 l boiler
- Smoke detector
- Oven with grill
- Large fridge (T/I 1)
- TV bracket
- Pre-wiring solar system
- Pre-wiring SAT system
- Lounge convert to bed (T)
- Bed convert single beds to double bed (T/I 6)
- Carpets for cab and living room

*Please note: From technical point of view there are components which are not possible for some model types and layouts.

Standard specification

Chassis (in addition to standard equipment, see p. 3)

- Radiator grill offers additional protection (only for A Class)
- Low-vibration, electric and heated cab mirrors in bus style (two-piece) (only for A Class)
- Adjustable cab mirrors incl. dead angle mirror and integrated turn indicator (only for Low Profile)

Conversion

- Automotive rear moulding with integral rear lights and integrated LED light bar and 3rd brake light
- Skylight 40 x 40cm above the lounge
- Cab blinds for best insulation and privacy protection (only for A Class)
- Captain seats: integrated headrest, two upholstered arm rests, rotating (only for T 1)
- Pull-down bed (only for A Class)
- Floor thickness: 49mm; sidewall thickness: 34mm; roof thickness: 35mm
- Rear garage: two garage doors, rear lowering (150 kg surface load), heated, with lashing rails, illuminated, 1x 230 V socket
- Habitation door: 70cm, flyscreen door, awning light (not for T/I 1)
- Height adjustable queen bed (only for T/I 7)
- Window for T-hood (only for Low Profile)
- Captain seats: integrated headrests, two armrests, rotating function

On-board technology / Installations

- Gas bottle locker for 2 x 11kg bottles
- Starter battery and leisure battery with automatic switch-over (also for fridge)
- LED illumination for the interior
- Illuminated roof lining above the habitation door
- EBL with overvoltage protection

Kitchen

- Gourmet kitchen with 3-flames hob, spacious drawers with softclose function and generous worktop
- Worktop extension: extendable or fold-away (not for T/I 7)
- Large fridge with freezer compartment and auto energy selection (AES)

Bathroom

- Rotating bathroom for optimal use of space (only for T/I 1)
- Equipped with cabinets, storage compartments, hooks, large mirrors and a height-adjustable shower head
- Shower grid (not for T/I 1)

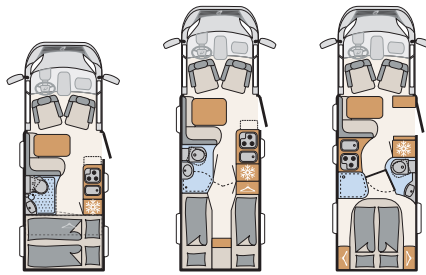

Living area

- Large mirror
- Overhead locker doors with softclose function
- Fixed beds with wooden frame and 7-zone mattresses made of climate-regulating material
- AirPlus ventilation system - for an optimised ventilation of the interior
- High wardrobe with convenient laundry shelves in upper area
- Multi-functional storage space underneath the double bed incl. wardrobe, accessible from inside and out, illuminated, bed frame with adjustable shock absorbers (only for T/I 1)
- Shoe cabinet in entrance area (only for T/I 7)
- Wardrobe left and right of the King bed

Interior

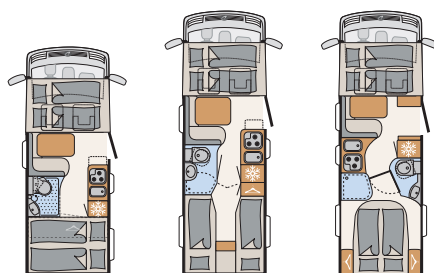

- Wood décor Rosario Cherry with upholstery Quadro or Atomic

Globebus

Plus factors interior

» The lounge can be converted to a comfortable bed.

» I: The standard pull-down bed has a sleeping area of up to 150 cm in width.

» Useful: The extendable step for bed access with a storage box (T/I 1).

» The LED illumination with indirect light elements provides atmospheric ambience. The overhead lockers are equipped with Softclose function.

» Comfortable kitchen worktop extension and rail system. Optionally with kitchen backwall (GT Package)

» Childproof: Isfix bracket for child seats (option)

» T/I 1: Multi-functional storage compartment under the fold-away bed frame, also accessible from outside.

» T/I: Cab blinds protect from heat, cold and prying eyes

» T/I: Large L-shaped seating lounge with wide passage way to the cab - for more elbow room

» Wrap-around windscreen with unique panoramic view.

» T/I: Comfortable captain seats with height/inclination adjustment and upholstered arm rests

» Dethleffs Fiat chassis 9 gear automatic transmission optionally available

Globebus

Plus factors exterior

» Extra-wide entrance door (70 cm) (not for T/I 1) with flyscreen door.

» Well-protected against hail: durable GRP roof.

» I: Easy to service: large engine bay opening for servicing all relevant parts.

» T: Large opening skylight in T-hood.

» High garage with 150 kg loading capacity. Two garage doors are standard.

» T: Standard black radiator grill. Stylish safety feature: LED day-time-running lights

» T/I: Prominent and safe: Integral rear lights with LED night-time-running lights.

» I: Coach-style mirrors for an unobstructed field of view.

» I: Prominent headlights, elegantly integrated in the new design.

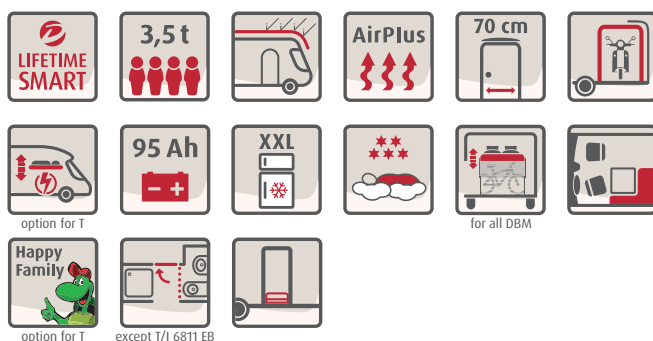

» **Comprehensive assistance systems optionally available for all Dethleffs Low Profile and Coachbuilt vehicles with Fiat chassis with the following systems:** Hydraulic Brake Assist, Lane Keep Assist, Light Assist, Traffic sign Assist and rain sensor.

Pulse plus factors

- + Harmonious light composition Light Moments for many emotions and good spirits in the Pulse
- + Further development of the Dethleffs design language for more openness, brightness and clear forms and lines
- + Innovative Maxi-Flex overhead locker with soft opening and intuitive operation
- + One-level floor in living room by IsoProtect Comfort floor

Standard UK specification which is above standard European specification*

- TV bracket
- Pre-wiring solar system
- Pre-wiring SAT system
- Lounge convert to bed (T) (not for DBL/EBL)
- Bed convert single beds to double bed
- Carpets for cab and living room

*Please note: From technical point of view there are components which are not possible for some model types and layouts.

Standard specification

Chassis (in addition to standard equipment, see p. 3)

- Low-vibration, electric and heated cab mirrors in bus style (two-piece) (only for A Class)
- Adjustable cab mirrors incl. dead angle mirror and integrated turn indicator (only for Low Profile)

Conversion

- Skylight 40 x 40cm above the lounge
- Cab blinds for best insulation and privacy protection (only for A Class)
- Captain seats: integrated headrest, two upholstered arm rests, rotating
- Pull-down bed (only for A Class)
- Floor thickness: 49mm; sidewall thickness: 34mm; roof thickness: 35mm
- Habitation door: 70cm, flyscreen door, awning light
- Height adjustable queen bed (not for T/I 6811 EB, T/I 7051 EB and I 7051 EBL)
- Rear moulding: 3rd brake light, Integral rear lights incl. LED strip, rear spoiler
- Rear garage: two garage doors with one-hand operation, drop chassis extension (150 kg loading capacity), heated, with fixing loops, illuminated, 1x 230 V power outlet
- Panoramic skylight 40x40cm with mosquito screens and shade blinds above the pull-down bed (only for A Class)

On-board technology / Installations

- Starter battery and leisure battery with automatic switch-over (also for fridge)
- LED illumination for the interior
- Illuminated roof lining above the habitation door
- EBL with overvoltage protection
- Heating mounted in seating lounge for optimum heat distribution

Kitchen

- Gourmet kitchen with 3-flames hob, spacious drawers with softclose function and generous worktop
- Large fridge with freezer compartment and auto energy selection (AES)

Bathroom

- Shower grid (not for T/I 7051 DBL and T/I 7051 EBL)
- Equipped with cabinets, storage compartments, large mirrors, toothbrush mug and toilet paper holder

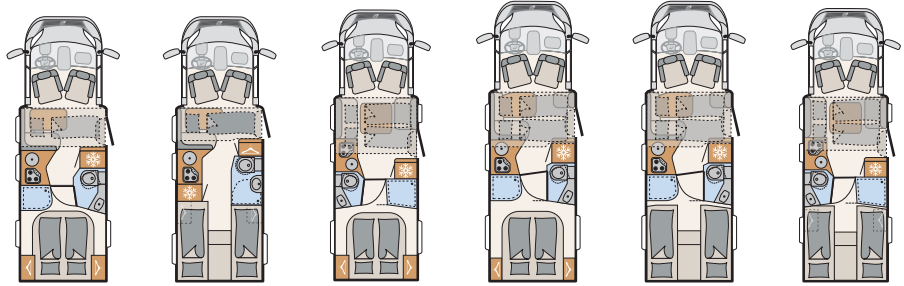

Living area

- Large mirror
- Fixed beds with wooden frame and 7-zone mattresses made of climate-regulating material
- AirPlus ventilation system - for an optimised ventilation of the interior
- Shoe cabinet in entrance area
- Wardrobe left and right of the King bed
- No steps in living room

Interior

- Wood décor Rosario Anthracite with upholstery Beat or Dance

Pulse

Plus factors interior

- » Harmonious light composition in four levels
 Roof: illuminated roof lining as a stylish element
 Walls: ambience illumination of the shower console, walls and entrance module
 Floor: pedestal illumination in lounge area, kitchen and sleeping room
 Function (standard): spots on the lower shell of the pull-down bed, bottom of the overhead locker, entrance, bathroom, shower, as well as an illuminated rear garage

- » 160 cm wide and height-adjustable double bed for optimal use of the garage.

- » Low Profile models can be upgraded with a pull-down bed (interior height below pull-down bed 1,90 m).

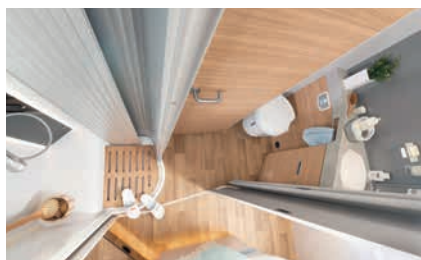

- » One-level IsoProtect Comfort floor in living area.

- » Innovative maxiflex overhead locker concept with soft opening. Thanks to the intelligent overhead locker construction the Pulse offers more storage room and freedom of moving (interior height 2.05 m).

- » Pretty seat frame trim for an optical separation of living room and the kitchen.

- » Compact but spacious bathroom with sliding door to the sleeping area

- » Multi-functional entrance module including a practical shoe box, a robust entrance handle and space for TV.

Pulse

Plus factors exterior

» Aerodynamic bodywork construction of the exterior. The modern rear spoiler includes an integrated reversing camera as well as an extra large third brake light.

» Outstanding design of the Low Profile hoods.

» Amazing rear design including the LED rear lights.

» I: Double mirror for an optimised field of view.

» New for A Class conversions - the Dethleffs face (picture shows the optional GT package)

» Wood-free and rot-free Lifetime Smart floor construction (covered with GRP).

» Good-looking and safe: day-time running lights (option for A Class).

» Practical one-hand operation of the garage doors. All Pulse models have two garage doors as standard.

Pulse Classic 90

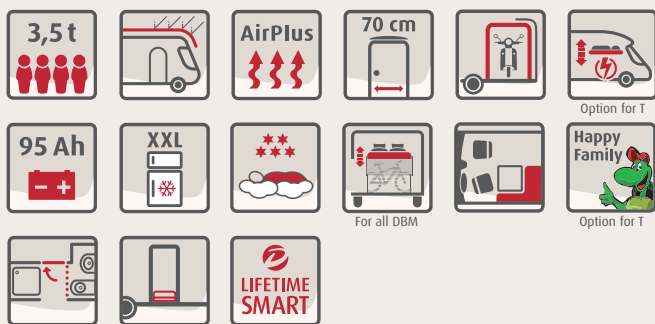

Pulse Classic plus factors

- + Bord control panel Luxus series
- + One-level floor without tripping hazard
- + Interior headroom 2,05 m
- + Shoe cabinet in entry area
- + L-shaped seating lounge standard
- + Optional rear view camera integrated in spoiler
- + Comprehensive equipment package
- + 4-level illumination "Light Moments" standard

As a 90 year anniversary model, the Pulse Classic scores with a "ready to go" standard equipment, which meets all the requirements of function and comfort. In addition comes a chic anniversary upholstery and of course the reliability and the proverbial good service of Dethleffs - the inventor of caravanning.

¹ on the next page you will find a list of the individual options

Except T/I 6811 EB

Esprit

Plus factors interior

» Spacious and comfortable L-shaped seating lounge for plenty of legroom and harmonious light composition „Light Moments“

» Practical and pretty: illuminated kitchen back wall with lateral splash guard and practical spice rack

» Dashboard: Comfortable dashboard with leather steering wheel and gear knob with leather cuff, steering wheel control, centrally placed cup holder and instrument panel with chrome rings and aluminium applications

» Comfortable SKA Captain air-swing seat incl. seat ventilation and seat heating (option)

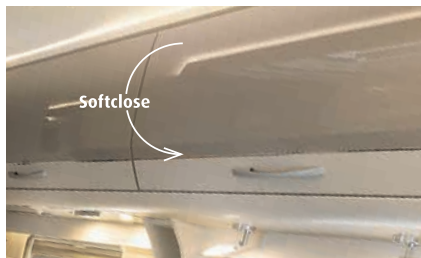

» To fall asleep, count the stars. Big skylight above the bed in the sleeping area (option, GT Package)

» Intelligent cooker hood in the kitchen area. No external intrusion of air possible

» I: Sleeping comfort at its best. Pull-down bed with 200 x 150 cm.

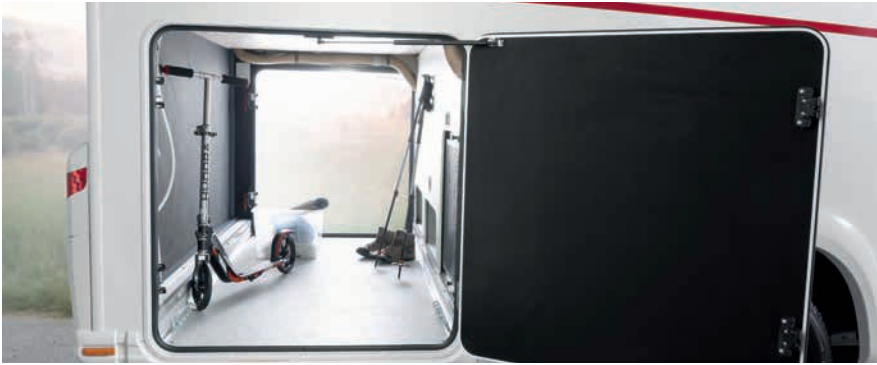

» Overhead lockers with softclose function reach up into the cab hood with atmospheric indirect lighting.

» Large 177 l fridge with integrated oven, can be opened on both sides

Esprit

Plus factors exterior

» Large rear garage with trim lines, which can be loaded from both sides; LED lights, 230V socket, GRP antislip floor cover, one-hand operation, heated walls covered with fleece. The electrical block (EBL) with overvoltage protection is stowed behind a practical metal rail in the rear garage

» Frost-protected: high, heated double floor with a lot of storage space and load-through possibility

» Supply compartment in the exterior area

» Good insulation and safe: automotive flush fitting window

» Dethleffs Lifetime-Plus: The wood free underbody is GRP covered, side walls with PU strips and XPS insulation

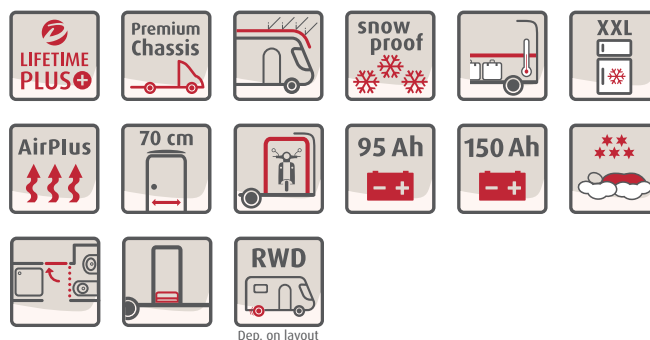

» Double mirror for an optimal field of vision, electrically adjustable and heatable in coach optics

» Premium class claim: chromed headlamp bezel, LED daytime running light and visual protection on the radiator grille

Alpa plus factors

- + Huge panoramic U-shaped lounge with lots of space for enjoying meal times and relaxing
- + Great single beds comfort with easy access
- + Large, spacious double floor, which can also be loaded from the rear (rear flaps with one-hand operation)
- + Large bathroom and dressing area
- + Winter-proof: Heated double floor with freeze-protected water installation
- + Warm water heating as standard

Standard UK specification which is above standard European specification*

Alpa A 6820-2 and Grand Alpa A 7820-2 and I 7820-2

- Right hand drive chassis
- LED day-time-running lights (A)
- Leather steering wheel and shift knob with leather sleeve
- Instruments in chrome
- Electrical & heated mirrors
- Autom. cab air conditioning
- Cruise control
- Passenger airbag
- Rear corner steadies
- Radio pre-wiring with Sound Package
- Cab door left (I 7820-2)
- Cab blinds
- Sky Roof (2nd panoramic skylight 70x50 cm crossways instead of panoramic skylight over the seating lounge in the rear) (A 6820-2)
- Sky Roof (2nd panoramic skylight 75x105 cm lengthwise over the seating lounge) incl. roof lining and lamp (A 7820-2 / I 7820-2)
- Habitation door with central locking
- Ambience illumination, indirect ambience illumination
- Full UK specification incl. UK gas and UK electrics
- Smoke detector
- TecTower incl. oven
- Extractor fan
- TV bracket
- Single folding seats right and left seating lounge rear incl. 4.8 t weight upgrade (A 6820-2)
- Seats with belts, opposite driving direction (A 7820-2/ I 7820-2)
- Pre-wiring solar system
- Pre-wiring SAT system

- Lounge convert to bed
- Carpets for cab and living room

Grand Alpa Plus A 9820-2

- Right hand drive chassis
- Wheel trims in chrome
- Multifunctional leather steering wheel
- Rear steadies (2 pieces)
- Radio pre-wiring with Sound Package
- Dethleffs Naviceiver incl. DAB+, Truck Navigation and connection to the on-board control panel
- Twin reversing camera
- Sky Roof (2nd panoramic skylight 75x105 cm lengthwise over the seating lounge) incl. roof lining and lamp
- Habitation door with central locking
- Ambience illumination, indirect ambience illumination
- Full UK specification incl. UK gas and UK electrics
- Smoke detector
- TecTower incl. oven
- Extractor fan
- TV bracket
- Seats with seat belts, opposite driving direction incl. air suspension for driving axle (original)
- Pre-wiring solar system
- Pre-wiring SAT system
- Carpets for cab and living room

* Please note: From technical point of view there are components which are not possible for some model types and layouts.

Standard specification

Chassis (in addition to standard equipment, see p. 3)

- Low-vibration, electric and heated cab mirrors in bus style (two-piece) (only for A Class)
- Adjustable cab mirrors incl. dead angle mirror and integrated turn indicator (only for Coachbuilt)
- **For FIAT chassis only:**
- Multi-functional leather steering wheel and leather shift knob (only for A Class)
- Cup holder in cab dashboard (only for A Class)

Conversion

- Cab blinds for best insulation and privacy protection (only for A Class)
- Captain seats: integrated headrest, two upholstered arm rests, rotating
- Window for overcab (only for Coachbuilt)
- Double floor storage, to be loaded almost through the complete vehicle width
- Rear moulding: 3rd brake light, LED rear lights, dynamic indicator
- Rear garage: two garage doors, drop chassis extension (250 kg loading capacity), heated, incl. fixing loops, LED illumination, 1x 230 V power outlet, GRP Antislip floor cover, one-hand operation, non-woven fabric covered walls
- Stable, double glazed flush fitting windows with integrated blinds and flyscreens
- Panoramic skylight 75 x 105cm above the seating lounge
- Habitation door: 70 cm, flyscreen door, awning light, window
- Floor thickness 43 mm, intermediate floor 20 mm, sidewall thickness 34 mm, roof thickness 35 (not for A 9820-2)
- Floor thickness: 43mm; intermediate floor: 30mm, sidewall/ roof thickness: 34mm (only for A 9820-2)
- Floor thickness 43 mm, intermediate floor 20 mm, sidewalls 44 mm, roof 45 mm (only for A Class)

- Rear moulding: 3rd brake light, LED rear lights, dynamic indicator which is part of the fully-insulated GRP rear (only for A Class)
- Automotive roof skirts optionally available with integrated awning (only for A Class)
- Panoramic skylight 70x50 cm with flyscreen and blind over the pull-down bed (only for A Class)
- Electric pull-down bed (only for A Class)

On-board technology / Installations

- Gas bottle locker for 2 x 11kg bottles
- Starter battery and leisure battery with automatic switch-over (also for fridge)
- LED illumination for the interior
- Illuminated roof lining above the habitation door
- EBL with overvoltage protection
- Fresh water/waste water tank installed in double floor (insulated area)
- Warm water heating with automatic drain valve and shut-off valve for the sleeping area

Kitchen

- Large fridge with freezer compartment and auto energy selection (AES)
- MultiFlex rail system
- Gourmet kitchen: 3-flame cooker, spacious drawers with softclose function, cutting board, apothecary pull-out, waste bin and central locking
- Kitchen overhead locker with illuminated roof lining

Bathroom

- Shower grid
- Equipped with cabinets, storage compartments, large mirrors, toothbrush mug and toilet paper holder

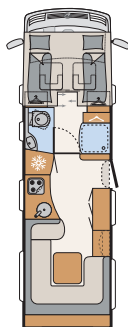

Living area

- Overhead locker doors with softclose function
- AirPlus ventilation system - for an optimised ventilation of the interior
- High wardrobe with convenient laundry shelves in upper area (not for A 6820-2)
- Overhead lockers in the rear area

Interior

- Wood décor Virginia Oak with upholstery Amaro or Goa

Alpa

Plus factors interior

» Spacious, illuminated wardrobes with drawers (pic. Coachbuilt). Cab can be separated with a sliding door for additional cold and light protection.

» Feel like at home: modern vitrine (not for A 6820-2)

» Much elbow room provided by the separate shower cubicle with Plexiglass doors.

» Large 32" TV (option)

» Leather steering wheel and gear knob in dashboard with chrome rings (multi-functional steering wheel)(not A9820).

» Huge U-shape lounge and much elbow room

» Generous kitchen with 3-burner gas stove, rail system and central locking for the kitchen drawers

» Your spa with daylight and great comfort.

Alpa

Plus factors exterior

» Roomy: large rear garge for transportation of bulky holiday luggage. All models are equipped with two garage doors as standard

» The left and right side overcab windows are standard.

» Frost-protection: high, heated double floor with a lot of storage space.

» Garage door in the rear (option) for transportation of long items.

» Well-insulating and safe: automotive frame windows.

» Automotive roof skirt with integrated awning (option for A Class).

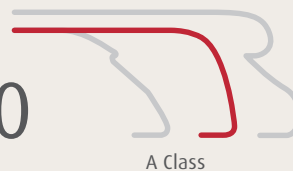

» Long-lasting Lifetime Plus conversion technology

» Robust: A 9820-2 based on Iveco chassis.

Globetrotter XLi Edition 90

Globetrotter XLi plus factors

- + Winter-proof: Heated double floor with freeze-protected water installations
- + Premium broad gauge low platform chassis
- + Ergonomic SKA captain seats (optional air-driven seats)
- + Large seating lounge with panoramic window
- + Double locked door (extra wide 70 cm) with window, electrical closing aid and flyscreen
- + Warm water heating with heat exchanger for engine pre-heating

Our most exclusive anniversary offer: Only 90 vehicles are built of this unique edition. It convinces with excellent design and a sensational equipment: powerful 160 BHP engine, 9-gear torque converter automatic gearbox, ergonomic air-swing seats and everything that makes caravanning comfortable - the XLI 90 Edition offers luxury at the highest level.

¹ on the next page you will find a list of the individual options

Standard UK specification which is above standard European specification*

- Right hand drive chassis
- Radio pre-wiring with Sound Package
- Cab door left
- Reversing cam
- Dethleffs Naviceiver incl. DAB+, Truck Navigation and connection to the on-board control panel
- Central locking for habitation door, cab door, garage doors
- Automatic gas bottle switch-over
- Panoramic skylight 75x105 cm in living area
- Ambience illumination

- Full UK specification incl. UK gas and UK electrics
- Smoke detector
- TecTower incl. oven
- Pre-wiring solar system
- Pre-wiring SAT system
- Carpets for cab and living room

* Please note: From technical point of view there are components which are not possible for some of model types and layouts.

Globetrotter XLI Edition 90 Pluspunkte Interieur

» The GourmetPlus kitchen combines everything that the heart's desires. Maximum freedom of movement and much more storage space

» Full of sound: perfectly tuned sound system (option)

» Exclusive entrance area with many high-quality details such as a large apothecary's pullout incl. bottles and glasses mounting

» There is plenty of space in a total of four clothes or linen cupboards with LED lighting

» Real leather anniversary upholstery Neapolitan

» For cell phone & Co.: Two USB sockets

» The practical drawers under the bed with the double bed layout offer lots of storage space

» Comfortable and convenient: Standard SKA air-swing seat in chic anniversary real leather upholstery

90 Globetrotter XLI Edition 90

Plus factors exterior

» Electric windscreen roller shutter and window defrosting

» Premium wide gauge low frame chassis with tandem axle

» Two-piece GRP front with LED daytime running light

» Easy to repair: two-piece GRP rear

» Double floor with through-loading possibility

» Large, LED-illuminated rear garage

» Victron energy Digital MultiControl with control panel above the habitation door (optional)

» Extra wide habitation door with electric closing aid

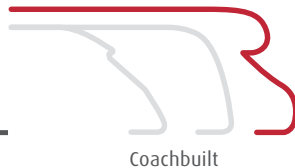

» Alloy wheels

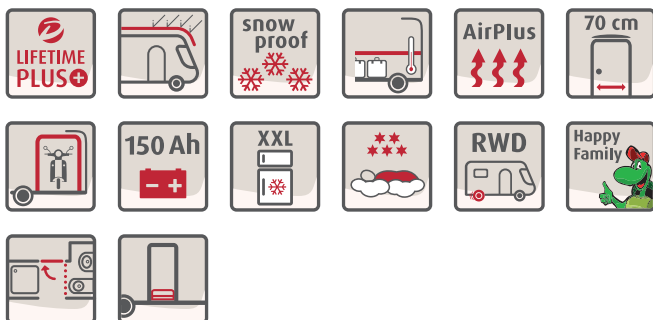

» Panoramic skylight

Globetrotter XXL

Globetrotter XXL Pluspunkte

- + Modern 3,0 l Euro VI D engine (132 kW/ 180 bhp)
- + IVECO chassis with rear wheel drive, twin tyres, different driving assistance systems, upgraded cockpit and heated cab seats
- + Heated double floor with 360 mm of height for freeze-protected installation of hoses, pipes and water tanks. The radiant heat is used as floor heating
- + Warm water heating with heat exchanger for engine pre-heating
- + Long-lasting Lifetime Plus conversion technology with 45 mm thick body construction
- + Master of autarky with powerful 150 Ah battery and 230 l water tank

Standard UK specification which is above standard European specification*

- Right hand drive chassis
- Radio pre-wiring with Sound Package
- Multifunctional leather steering wheel
- Wheel trims in chrome
- Twin reversing cam
- Dethleffs Naviceiver incl. DAB+, Truck Navigation and connection to the on-board control panel
- Central locking for habitation door, cab door, garage doors
- Panoramic skylight 75x105 cm incl. illuminated roof lining in living area
- Ambience illumination

- Full UK specification incl. UK gas and UK electrics
- Smoke detector
- TecTower incl. oven
- Pre-wiring solar system
- Pre-wiring SAT system
- Safety package: 3-point seatbelt for seat opposite driving direction
- Carpets for cab and living room

* Please note: From technical point of view there are components which are not possible for some of model types and layouts.

Standard specification

Conversion

- Skylight 40 x 40cm above the lounge
- Floor thickness 43 mm, intermediate floor 20 mm, sidewalls 44 mm, roof 45 mm
- Habitation door: 70 cm, flyscreen, awning light, window, electric closing aid
- Rear garage: two garage doors, drop chassis extension (250 kg loading capacity), heated, incl. fixing loops, LED illumination, 1x 230 V power outlet, GRP antislip floor cover, one-hand operation, non-woven covered walls
- Double floor storage, to be loaded almost through the complete vehicle width, double floor height: 360 mm
- Rear moulding: 3rd brake light, LED rear lights, dynamic indicator, high-level moulding
- Stable, double glazed flush fitting windows with integrated blinds and flyscreens (Privacy Black)
- Captain seats: headrest, two upholstered arm rests, height-inclination adjustment, hydraulic
- Overcab bed fold-away
- Windows for overcab left and right side

On-board technology / Installations

- Starter battery and leisure battery with automatic switch-over (also for fridge)
- LED illumination for the interior
- Illuminated roof lining above the habitation door
- EBL with overvoltage protection
- Fresh water/waste water tank installed in double floor (insulated area)
- Warm water heating with automatic drain valve, shut-off valve for the sleeping area and engine heat exchange
- Gas bottle locker with easy pull-out function for quick change of the gas bottles (2 x 11 kg)

Kitchen

- Large fridge with freezer compartment and auto energy selection (AES)
- MultiFlex rail system

- Gourmet kitchen: 3-flame cooker, spacious drawers with softclose function, cutting board, apothecary pull-out, waste bin and central locking
- Kitchen overhead locker with illuminated roof lining
- Extractor fan (exhaust air)

Bathroom

- Shower grid
- Equipped with cabinets, storage compartments, large mirrors, toothbrush mug and toilet paper holder

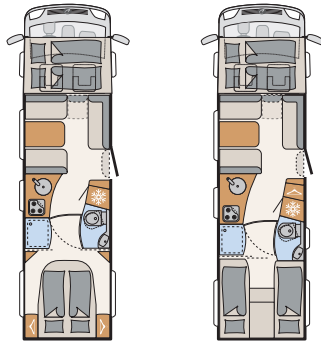

Living area

- Large mirror (only for A 9050-2 DBM)
- Fixed beds with wooden frame and 7-zone mattresses made of climate-regulating material
- AirPlus ventilation system - for an optimised ventilation of the interior
- Wardrobe left and right of the King bed
- No steps in living room
- Seat chest enlargement, fold-away with storage space
- Overhead lockers with doors in the rear
- Single beds can be converted to a large double bed

Interior

- Wood décor Almeria Ash White with upholsteries Bozen or Platinum

» Storage space in the double floor

Winter Comfort Packages

Winterised and weatherproof, winterisation with Dethleffs

More and more caravanning enthusiasts are discovering winter camping for themselves. No problem with a Dethleffs. Because every Dethleffs motorhome is designed from its basic construction to offer an optimal interior climate, i.e. good ventilation and an even heating of the whole living space. With regular cold chamber tests we ensure this high standard.

But the most important test subjects are our customers in Scandinavia and here Dethleffs has been at the top of the popularity scale for years.

In order to be able to enjoy the full Dethleffs comfort even in hard winter conditions, we offer the optional warm air or warm water Winter Comfort Packages.

Winter Comfort Package warm air heating

Dethleffs – long-lasting quality

All Dethleffs motorhomes come with a 6-year water ingress warranty as standard.*

Also standard is the Dethleffs Lifetime Plus body construction on all models starting the ESPRIT range.

Using the latest findings, this new type of design combines an absolutely rot-proof and thus long-lasting wall construction for a healthy interior climate:

- ✓ Walls, roof and floor are constructed entirely without cold spots or wood inserts. Instead, rigid polyurethane struts ensure a high torsional stiffness.
- ✓ Strong GRP panels (glass-fiber reinforced plastic) on the roof and floor protect against damage from outside from hail, stones, salt water, etc.
- ✓ An extra thick layer of high density, hydrophobic, i.e. water-repellent XPS foam ensures excellent insulation properties.
- ✓ A 3 mm (floor 6 mm) thick plywood panel leading to the living area is both moisture-balancing and sound-absorbing.

Our ranges Trend (T/I), Pulse and Globeline come as standard with the clever and rot-proof floor construction. We install PU struts instead of wooden inserts and cover the floor with thick GRP plate for high protection values.

* provided that annual inspections are undertaken by a Dethleffs authorised workshop.

General Information

Mass in running order according to VO (EU) 1230/2012 includes the unladen weight of the vehicle (tare weight of the vehicle incl. driver (75 kg) and tank filled 90 %) and the following basic equipment: filled water tank (with reduced water tank volume for driving, see technical data), a 100% filled aluminium gas cylinder with 11 kg filling and a cable drum.

The technically permissible maximum mass and the axle loads must not be exceeded by personal items, luggage and optional equipment. For your information we also indicate the net weight of the vehicle. This refers to the tare weight of the vehicle in series production without any filling, special accessories and persons.

The installation of optional equipment increases the weight of the vehicle and reduces the payload by the specified weight values. If you order your vehicle with additional equipment and/or you are travelling with several persons, you should check whether it makes sense to get a weight upgrade.

The towing weights stated in this brochure are technically maximum data based on the chassis. The actual towing weight can vary due to the retrofitted or ex works equipment and can vary greatly depending on the individual loading situation. The decisive factor is the effective weight of the towing vehicle and trailer.

The information on the scope of delivery, appearance, performance, dimensions and weights of the vehicles correspond to those available at the time of going to press and the European homologation regulations. Until the vehicle purchase or until delivery, these can change. All weight values are approximate. Deviations within the factory tolerances (+/- 5 % max.) are possible and permissible. Technical changes in construction and equipment as well as errors excepted.

This brochure is valid from 01.08.2020.

Vehicle illustrations in this document can include options with extra costs. We expressly reserve the right to make changes. With appearance of this brochure all previous brochures lose their validity.
