# IMPORTANT NOTES

## Abbreviations

ABS - Anti-lock Braking System  
ASR - Anti-Slip Control - Traction Control  
EDS - Electronic Differential Lock  
ESC - Electronic Stability Control = ESP  
ESP - Elektronik Stabilisation Programme - Vehicle dynamics control  
HBA - Hydraulic Brake Assist  
LAC - Load Adaptive Control  
MSR - Engine Drag Torque Control  
EBV - Electronic Brake-Force Distribution

Please note that the standard equipment may be omitted when ordering optional extras. Individual package contents can sometimes also be ordered separately. Since not all dependencies of single optional extras can be listed here, please check with your HYMER CamperVan dealer.

Any modification of the original factory fitted condition of your vehicle may result in impaired driving and / or driving safety.

Accessories and original spare parts recommended by Hymer GmbH & Co KG are designed, developed and approved specifically for your vehicle. Your HYMER CamperVan dealer supplies these products; he is informed about all the technical details and can perform the necessary work in the correct manner.

Accessories, add-on, conversion or installation parts not approved by Hymer GmbH & Co KG may cause damage to the vehicle and impair road safety. Even if an expert's report, a parts BE or a type approval is available for these parts, there is no presumption of the proper condition of the product. Please understand that for any damage caused by non-approved products or not permitted changes, Hymer GmbH & Co KG CANNOT be made liable.

Weight figures are approximate values. The payload stated in the price list is reduced by the weights stated in the price list if special equipment is installed.

Deviations within the scope of the factory tolerances (+/- 5%) are possible and permissible with regard to the information on the scope of delivery, dimensions and weights of the vehicles. They correspond to the knowledge available at the time of going to press as well as the European homologation regulations. These can change until the vehicle is purchased or until the vehicle is delivered. Your HYMER CamperVan dealer will be pleased to inform you about any changes and the standard scope of delivery.

Please ensure that you observe the prescribed axle load when installing special parts attached to the rear of the vehicle, such as a motorcycle rack or trailer hitch.

The prices indicated are only valid for optional extras if fitted with the production of a new vehicle. The retrofitting of certain optional extras is sometimes not possible or associated with considerable additional costs.

This price list includes the series status at the time of printing. Despite checking the contents, errors can not be excluded. In the course of the model year, we reserve the right to change equipment and to make product improvements.

The layouts are partially shown with optional extras which are available at extra cost, these are not part of the standard scope of delivery.

The water installation system is at least state-of-the-art as of 07/2011 (EG directive 2002/72/EG).

Before signing a sales contract, please inform yourself about our current product and series status with one of our approved HYMER CamperVan dealers.

All prices are recommended retail prices in GBP including legal applicable VAT, freight from Germany, first registration fee and pre-delivery inspection. For deliveries after 31.12.2020 import duties may apply. These are not included in the price and are charged separately.

Changes in price, design and equipment are possible without prior notice.

This price list supersedes all previous ones.

## Collection / Pick-up

Collection / Pick-up of your HYMER CamperVan at the factory is not possible.

# FOOTNOTES

- 1) Height changes with the installation of optional extras equipment such as satellite antenna, roof rack, etc. The standard radio roof antenna is not included in the total height.
- 2) Mass in running order according to regulation VO (EU) No. 1230/2012 including basic equipment (75 kg for driver, filled fuel tank, filled water tank in driving position with 20 l, gas in an aluminium bottle at 100% and electrical connection cable) in the basic variant. The mass in running order (and the possible load or number of persons) changes with different engine or equipment variants and by adding optional extras. Deviations within factory tolerances are possible and permissible.
- 3) The specified load capacity depends on the empty weight and is reduced by the weight of the optional extras fitted (Please refer to the price list or ask your dealer for the values). The maximum load consists of conventional load: 75 kg per passenger, personal equipment (10 kg of luggage per passenger and driver plus 10 kg per metre of vehicle length) and remaining load that can be used for additional optional equipment or luggage.
- 4) Up to 12 % incline: With increasing altitude, the engine power inevitably decreases. From 1,000 m above sea level and every further 1,000 m, 10 % of the trailer load must be deducted from the total towing capacity.
- 5) The number of people specified will be reduced if the mass in running order increases. An increase occurs in particular if the engine version differs from the basic version, if optional extras are fitted and if a corresponding equipment variant is selected. Please check the weight information in the price list or consult your HYMER dealer to make sure that the technically permissible total mass is not exceeded and that there is sufficient loading capacity for persons and commodities. The standard equipment includes 3 seats in the Sydney model and 4 seats in the models with bathroom. Additional seats can be ordered as optional extra for the Sydney model. Please note the vehicle's weight balance.
- 6) 9G automatic transmission only available in combination with 16" alloy wheels for Fiat Ducato Maxi chassis or steel rims.
- 7) Option not available in combination with chassis variant: 2.2 MultiJet - 88 kW / 120 hp.
- 8) Option expected to be available from autumn 2021.
- 9) Not available in combination with 9G automatic transmission.
- 10) Programmable auxiliary heating incl. heated windscreen.
- 11) Only available in combination with Fiat Infotainmentssystem incl. 10" Touchscreen.
- 12) Heated windscreen only available in combination with Driver Assistance Package or Driver Assistance System.
- 13) Adaptive Cruise Control active from 30 km/h.
- 14) Only available in combination with Driver Assistance System or Driver Assistance package.
- 15) Sleeping roof and transverse bed conversion for seating group incl. additional cushion can not be used at the same time.
- 16) Sleeping roof only available in combination with 3.5 t or 4.0 t chassis.
- 17) Lifting- and tilting skylight (Heki) not available in combination with sleeping roof or roof AirCon.
- 18) ISOFIX - child seat fixation only available for the seat in the middle of the vehicle.
- 19) UK only: The automatic gas cylinder switchover system with crash sensor and EisEx is included in the standard scope of supply due to a legal requirement.
- 20) Second on-board battery 95 Ah and second on-board battery Hybrid (150 Ah Lithium) with additional 18 A charger can not be ordered or assembled together. Only one of these positions can be ordered.
- 21) Fiat Infotainment system only available in combination with automatic climate control.
- 22) Dashboard smartphone / tablet holder can no longer be used.
- 23) Depending on the type of smartphone and the software version, the level of possible smartphone use may vary.
- 24) Only available in combination with TV pre-installation / TV-bracket.
- 25) Ready to Camp package Maxi only available in combination with 9G automatic transmission or Fiat Ducato Maxi chassis.
- 26) Style package Light only available in combination with Fiat Ducato Light Chassis.
- 27) Trailer hitch only available if fitted from factory. Please keep that in mind when ordering. Retro-fitting of the trailer hitch is NOT possible.
- 28) Chrome grill only available in combination with grill frame in vehicle colour.
- 29) The optional climate control Thermotronic includes the rain sensor.
- 30) Painted bumper and Mercedes-Benz Style package only available in combination with the exterior colours Iridium silver, Tenorite grey or Obsidian black.
- 31) All Wheel Drive not available in combination with All Year tyres.
- 32) Only available in combination with Mercedes-Benz 7" or 10.25" MBUX Multimedia system.
- 33) Wet Wiper System only available in combination with rain sensor.
- 34) Not available in combination with warm water auxiliary heating.
- 35) Active Brake Assist included when ordering the optional Active Distance Assist DISTRONIC+.
- 36) Only available in combination with automatic transmission, leather steering wheel and Mercedes-Benz 7" or 10.25" MBUX Multimedia System.
- 37) Only available in combination with electric folding exterior mirrors.
- 38) Not available in combination with the optional bed conversion kit for seating group incl. additional upholstery.
- 39) With this option, the Original Mercedes-Benz seats are designed in integral optics.
- 40) Mercedes-Benz voice control only available in combination with Mercedes-Benz 7" MBUX Multimedia system with navigation or 10.25" MBUX Multimedia system . When ordering Mercedes-Benz 7" MBUX Multimedia system without navigation, voice control is not available.
- 41) Only available in combination with Mercedes-Benz 7" or 10.25" MBUX Multimedia System.
- 42) Only available in combination with electric folding exterior mirrors and Mercedes-Benz 7" or 10.25" MBUX Multimedia System.
- 43) TV pre-installation = 1 x 12 V socket, 2 x aerial sockets and 1 x mains supply socket.
- 44) Only available in combination with Mercedes-Benz 7" MBUX with navigation or 10.25" MBUX Multimedia System.
- 45) When ordering the Fiat Ducato Maxi Chassis: Overall height is increased by approx. 5 cm.
- 46) Uprate to 3.65 t not possible.
- 47) Not available in combination with the standard 120 hp engine.
- 48) 3,000 kg towing capacity only available in combination with Maxi 3.5 t chassis.
- 49) Not available in combination with Adaptive Cruise Control or 360° Parking Assist.
- 50) Exterior colour Artense Grey is supplied with black pop-up roof.
- 51) Not available in combination with sleeping roof or lifting- and tilting skylight (Heki).

- 52) When fitting the optional Roof AirCon the overall height of the vehicle increases.
- 53) TV pre-installation = 2 x 12 V sockets, 3 x aerial sockets and 1 x mains supply socket.
- 54) Style package Maxi only available in combination with Fiat Ducato Maxi Chassis.
- 55) All Wheel Drive not available in combination with Mercedes-Sprinter 314/414 CDI.
- 56) Mercedes-Benz Sprinter 314, 316 and 319 CDI chassis with permissible total weight of 3,500 kg can not be uprated. Please keep this in mind when ordering.
- 57) New Mercedes-Benz engine and new All Wheel Drive from calendar year 2022.
- 58) All adjustment options are available on the Original Mercedes-Benz seats in integral optics.
- 59) Original Mercedes-Benz seats are swivelling, as well as longitudinally / tilt and height adjustable, headrest can be used.
- 60) All Wheel Drive only available in combination with 7G-Tronic automatic transmission.
- 61) When ordering the optional All Wheel Drive, the overall height increases by about 9 cm.
- 62) RHD chassis: LED headlights and All Wheel Drive are mutually exclusive. Only one of these options can be ordered.
- 63) All Wheel Drive includes the 93 l fuel tank as standard.
- 64) When uprating the vehicle to 4,100 kg (total permissible gross weight), the trailer load is reduced to 1,780 kg.
- 65) When uprating the vehicle to 4,100 kg (total permissible gross weight), the trailer load is reduced to 2,580 kg.
- 66) Not available in combination with All Wheel Drive.
- 67) 41x CDI (total permissible gross weight of 3,880 kg): Trailer load is reduced to 3,120 kg. When uprating the vehicle to 4,100 kg, trailer load is reduced to 2,900 kg.
- 68) Engine compartment insulation not available in combination with underride protection.
- 69) Crosswind Assist is coded out by Mercedes-Benz and therefore without function.
- 70) Electric sliding door not available in combination with external gas socket.
- 71) Due to homologation dependencies: ECO start-stop function may become a mandatory equipment option.
- 72) Only available in combination with All Wheel Drive.
- 73) Not available in combination with Park Package with rear view camera or Park Package with 360° camera.

## Please note:

This price list describes the series status at the time of publication. Despite careful checking of the contents, printing errors cannot be ruled out completely. We reserve the right to make equipment changes or product improvements during the course of the model year. Before signing a sales contract, please ask one of our approved HYMER CamperVan dealers about the current product and series status.

Some vehicles are shown with optional extras that are available in the current applicable price list and are available at extra cost. The decoration shown is not supplied by HYMER. The details of scope of delivery, appearance, performance, dimensions as well as weights of the vehicles are valid at the time of going to press - deviations within the factory limits (max. +/- 5 %) are possible and permissible.

This data complies with European homologation regulations, which may change up to the time of vehicle purchase or delivery. Your HYMER CamperVan dealer will gladly provide you with information on the changes as well as the standard scope of delivery.
