PACKAGE CONTENT

Fiat Ducato 3.5 t - 2.2 Multijet - 103 KW/140 hp - Euro VI-E

90 I fuel tank

16" alloy wheels with 225/75 R16 tyres (Fiat Ducato Light only)

Leather steering wheel and gear knob lever

Awning with adapter, white housing, 450 x 250 cm

External storage flap, 65 x 65 cm, LH side

Cab door with electric power windows and entry lighting

Window in habitation door incl. blackout blind and integrated waste bin

Mosquito net on habitation door

Bed conversion for comfort L-shaped seating group incl. additional cushion and lowerable table involving the cab seat

Additional cushion between the longitudinal single beds incl. integrated comfort access

Ambient lighting

Automatic gas bottle changeover system with crash sensor and IceEx

Gas filter for automatic gas bottle changeover

Additional sockets: $4 \times 230 \text{ V}/1 \times 12 \text{ V}/1 \times \text{Twin-USB}$ (incl. kitchen wall panelling)

Reversing camera

32" TV bracket

32" LED-TV with built-in speakers, remote control, DVD drive, (DVB-T/C, DVB-S2) incl. receiver

Digital satellite dish, 65 cm

Payload reserve incl.

PACKAGE CONTENT

Mercedes-Benz Sprinter 3.88 t - 419 CDI - 141 KW/190 hp - Euro VI-D

All Wheel Drive with gear reduction, switchable, incl. 93 I fuel tank

Fully automatic climate control THERMOTRONIC incl rain sensor (surcharge on semi-automatic climate control)

7G-TRONIC automatic transmission incl. Hold function

Mercedes-Benz MBUX 10.25" Multimedia system incl. SatNav with steering wheel multifunction keys, DAB+, Touchscreen as well as reversing camera

Mercedes-Benz Cruise Control incl. steering wheel multifunction buttons

Active Distance Assist DISTRONIC+ incl. steering wheel multifunction buttons (surcharge on Cruise Control)

Attention Assist

Exterior Body colour: Crystal-Silver Metallic incl. painted alcove

Exterior Cab colour: (Metallic) Tenorite grey

Leather steering wheel (automatic transmission only)

16" lugged tyres (All Terrain) with steel rim (black)

Roof rack with rear ladder without checker plate roof panel

Checker plate floor as well as felt trim in the rear garage

Chrome grill

LED High-Performance headlights

LED Lightbar 11"

Fog lights with cornering light

Bumper, attachment parts and grill frame painted in vehicle colour

Heated windscreen

Engine / unterride protection

Electric parking brake

16" steel spare wheel with lugged tyres incl. bracket, exterior, fitted on rear wall

Active Lane Keeping Assist

Traffic Sign Assist

High Beam Assist

Heat-insulating glass with band filter on windscreen

Dashboard charging pack (2 USB-C connections with 5 V as well as one additional 12 V socket)

Price advantage	8.170,-£
Special price	111.630,-£

Edition model

Please note: LED headlights are not available in combination with RHD All Wheel Drive chassis

Errors and technical modifications expected; Date of publication 08/2021

PACKAGE CONTENT

Comfort habitation door with window, blackout blind, integrated waste bin as well as 2-way lock

Electric roof vent with function supply and exhaust air at kitchen

Panoramic skylight above cab, manually hinged

Opening window incl. blackout blind and mosquito net, LH side, rear

Original Mercedes-Benz Comfort seat, upholstered in living area fabric

Cab blinds

Mosquito net on habitation door

External shower, located in garage

Comfort L-shaped seating group with lounge cushions, longitudinal / transverse sliding table and 2 built-in 3-point belts

Sleeping system with cup-slatted bed frame for rear bed(s)

Additional cushion between the longitudinal single beds with ladder

Bed conversion for L-shaped seating group incl. lowerable table

Fitted sheets made to measure for rear beds individually adapted to mattress contours

4 pillows

Ambient lighting incl. base lighting and lighting highlights

Wooden shower slats

152 I compressor fridge

Solar panel 2 x 90 W with MPPT controller and display

Additional sockets: $4 \times 230 \text{ V} / 3 \times 12 \text{ V} / 2 \times \text{Twin-USB}$ (incl. kitchen wall panelling)

6 kW Diesel warm air heating with warm water boiler and electric bar heater

Diesel heating-altitude kit

Inverter 12 V to 230 V, 1,800 W with network priority circuit

Design graphics: CrossOver

Tool set (folding spade, axe) in rear storage compartment

Reinforced front axle

HYMER Smart Battery System (150 Ah Lithium) incl. additional 18 A charger and battery computer

Third habitation battery HYMER Smart Battery System (150 Ah Lithium)

[●] Standard O Optional extra ▲ Mandatory
◆ On request (no extra cost) — Not possible □ Available in package

IMPORTANT NOTES

Any modification in the original factory condition of your vehicle may result in impaired driving and / or driving safety.

Please note that the standard equipment may be omitted when ordering optional extras. Individual package contents can sometimes be ordered individually. Since not all dependencies of optional extras can be listed here, please check with your HYMER dealer.

Accessories and original spare parts recommended by Hymer GmbH & Co KG are designed, developed and approved specifically for your vehicle. Your HYMER dealer supplies these products; he is informed about all the technical details and can perform the necessary work in the correct manner. Accessories, add-on, conversion or installation parts not approved by Hymer GmbH & Co KG may cause damage to the vehicle and impair road safety. Even if an expert's report, a parts BE or a type approval is available for these parts, there is no presumption of the proper condition of the product.

Please understand that for any damage caused by non-approved products or not permitted changes, Hymer GmbH & Co KG CANNOT be made liable.

Weight figures are approximate values. The payload stated in the price list is reduced by the weights stated in the price list if optional extras are fitted.

Deviations within the scope of the factory tolerances (+/- 5%) are possible and permissible with regard to the information on the scope of delivery, dimensions and weights of the vehicles. They correspond to the knowledge available at the time of going to press as well as the European homologation regulations. These can change until the vehicle is purchased or until the vehicle is delivered. Your HYMER dealer will be pleased to inform you about any changes and the standard scope of delivery.

Please note: The alternative engine options available at extra cost, as well as all other chassis options such as automatic transmission and air conditioning, result in a change in weight. The additional weight of the individual chassis and engine variants as well as chassis options are always indicated in the chassis-related optional extras in the individual optional extras lists.

Please note: A maximum of 2 child seats are permitted on the bench seat in the living area, provided the table is removed and securely stowed. On an L-shaped seating group with fixed table, only one child seat is permitted beside the window. For this purpose, the side cushion must be removed and the table top moved towards the centre of the vehicle and locked in place. Please observe the exact instructions in the corresponding operating instructions.

Please ensure that your observe the prescribed axle load when installing special parts attached to the rear of the vehicle, such as a motorcycle rack or trailer hitch

The prices indicated are only valid for optional extras if fitted with the production of a new vehicle. The retrofitting of certain optional extras is sometimes not possible or associated with considerable additional costs.

This price list includes the series status at the time of printing. Despite checking the contents, errors can not be excluded. In the course of the model year, we reserve the right to change equipment and to make product improvements. The layouts are partially shown with optional extras available at extra cost, these are not part of the standard scope of delivery.

The water installation system is at least state-of-the-art as of 07/2011 (EG directive 2002/72/EG).

Before signing a sales contract, please inform yourself about our current product and series status with one of our approved HYMER dealers.

All prices are recommended retail prices in GBP including legal applicable VAT, freight from Germany, first registration fee and pre-delivery inspection. For deliveries after 31.12.2020 10% import duties may apply. These are not included in the price and are charged separately by the dealer.

Changes in price, design and equipment are possible without prior notice.

This price list supersedes all previous ones.

Collection / Pick-up:

 ${\bf Collection\,/\,Pick-up\ of\ your\ HYMER\ motorhome\ at\ the\ factory\ is\ not\ possible.}$

Technical data:

*) Data not yet available at time of going to press

FOOTNOTES

- 1) Body width corresponds to dimension of outer wall to outer wall.
- 2) Overall width corresponds the measurement incl. wheel arches.
- 3) Height changes with the installation of optional extras equipment such as satellite antenna, roof rack, etc. The standard radio roof antenna is not included in the total height.
- 4) Mass in running order according to regulation VO (EU) No. 1230/2012 including basic equipment (75 kg for driver, filled fuel tank, filled water tank in driving position with 20 l, gas in an aluminium bottle at 100% and electrical connection cable) in the basic variant. The mass in running order (and the possible load or number of persons) changes with different engine or equipment variants and by adding optional extras. Deviations within factory tolerances are possible and permissible.
- 5) The specified load capacity depends on the empty weight and is reduced by the weight of the optional extras fitted (Please refer to the price list or ask your dealer for the values). The maximum load consists of conventional load: 75 kg per passenger, personal equipment (10 kg of luggage per passenger and driver plus 10 kg per metre of vehicle length) and remaining load that can be used for additional optional equipment or luggage.
- 6) Up to 12 % incline: With increasing altitude, the engine power inevitably decreases. From 1,000 m above sea level and every further 1,000 m, 10 % of the trailer load must be deducted from the total towing capacity.
- 7) The number of persons stated may be reduced if the mass in running order increases. This increase occurs in particular if the engine version differs from the basic version, if optional extras are fitted and if a corresponding equipment version is selected. Use the weight information in the price list or talk to your HYMER dealer to make sure that the technically permissible total mass is not exceeded and that there is sufficient loading capacity for persons and items.
- 8) In the event of an accident, the brakes are automatically locked to prevent a possible secondary collision.
- 9) For vehicles with transverse bed, the LH side opening window at the rear is only available as optional extra.
- 10) Only available in combination with large refrigerator.
- 11) Body colour Crystal Silver not available in combination with exterior cab colour Campovolo grey.
- 12) When selecting the optional 9G automatic transmission, the additional weight of the selected engine or chassis variant is already included. Therefore, the additional weights of the engine and chassis variants do not have to be taken into account.
- 13) Only available in combination with optional 16" alloy wheels with 225/75 R16 tyres for Fiat Ducato Maxi chassis or 16" steel rims.
- 14) Option not available in combination with chassis variant: 2.2 MultiJet 88 kW / 120 hp.
- 15) The LED Daytime Running Light is integrated in the optional LED headlights.
- 16) Expected to be available from autumn 2021, from delivery Fiat/ALKO. For more information, please contact your local dealer.
- 17) When ordering this optional extra, the Standard variant is not included.
- 18) Not available in combination with the optional automatic transmission.
- 19) Optional spare wheel is not equipped with tyre inflation pressure sensor.
- 20) Not available in combination with the optional electric parking brake.
- 21) Data exchange (mirroring of information) does not take place between the fully digital cockpit and the Multimedia SatNav system with 9" touchscreen.
- 22) Fully digital cockpit only available in combination with Fiat infotainment system incl. 10" touchscreen or Multimedia SatNav system with 9" touchscreen.
- 23) Only available in combination with the optional Driver Assistance System or Distance Cruise Control.
- 24) Brackets for awnings feet are supplied loose.
- 25) Increased garage load of 450 kg taking into account the axle loads and the permissible total weight.
- 26) Trailer hitch and motorcycle rack can not be fitted at the same time.
- 27) Roof rack with ladder and checker roof plate not available in combination GRP roof coating.
- 28) Solar panels not available in combination with roof rack and rear ladder and checker roof plate (except B-MC I 550).
- 29) Rear garage door not available in combination with bicycle rack.
- 30) Rear garage door and comfort steadies not available in combination with motorcycle rack.
- 31) GRP roof coating doesn't match the vehicle colour. The surface quality of the GRP coating does not correspond to a painted outer panel.
- 32) Surcharge to door with 1-way lock and window.
- 33) The use of motorcycle rack and bicycle rack at the same time is not possible.
- 34) Bicycle rack not available in combination with rear locker.
- 35) The following options are not available in combination with comfort steadies: Hydraulic jacks, extendable motorcycle rack, movable motorcycle rack and fix motorcycle rack.
- 36) Electric roof vent not available in combination with roof AirCon (except ML-T 620).
- 37) Due to manufacturer's instructions, please refer to the maximum speed of 150 km/h. Nevertheless, note the traffic regulations of your country as well as vehicle information.
- 38) Exsis-t 474, 678 as well as Exsis-i 474, 678: Not available in combination with roof AirCon.
- 39) Separate oven above fridge only available in combination with 140 I fridge.
- 40) The far-field function (SMS messaging) is no longer possible or only possible to a limited extent in Switzerland and the Netherlands. In general, this function depends on the network providers of the respective countries and may change at any time. If necessary, please contact your network provider in advance. The near field function (App control via Bluetooth) is still possible without restrictions.
- 41) UK only: The automatic gas cylinder switchover system with crash sensor and EisEx is included in the standard scope of supply due to a legal requirement.
- 42) Due to manufacturer's instructions, we recommend to order the gas filter when ordering the optional automatic gas bottle switchover with Crash Sensor and IceEx.
- 43) Second habitation battery (95 Ah AGM) incl. additional 18 A charger and second habitation battery Hybrid (50 / 150 Ah lithium) incl. additional 18 A charger can not be ordered and fitted at the same time. Only one of these options can be ordered.

- 44) The Hymer Smart Battery System (HY-Tec Lithium Battery 150) significantly extends the available electrical energy and thus the self-sufficient standing time of your motorhome. The LE300 offers a 200 % increase in available battery capacity with practically identical installation space (compared to standard 95Ah AGM_II batteries), combined with a weight saving of around 6 kg (approx. -22 %). This expandable solution increases the capacity and performance of the lead-acid batteries while increasing the efficiency and lifespan of the overall system. The lithium batteries are connected in parallel to the lead batteries. In this process, the lithium batteries take over most of the charging cycles, whilst the lead batteries act as backup storage. The battery computer regulates the optimal charge/discharge and also displays the state of charge.
- 45) Second habitation battery (95 Ah AGM), HYMER Smart Battery System (50 Ah lithium) and HYMER Smart Battery System (150 Ah lithium) incl. 18 A auxiliary charger cannot be ordered at the same time or fitted inside one vehicle. Only one of these options can be ordered.
- 46) Electric floor tempering only available for the walk-in area. Pedestal is heated with warm air and floor openings are not heated.
- 47) SatNav device incl. automatic switching from starter to living area battery and selector switch for driving and camping operation.
- 48) HYMER Smart Control: Simple status query of water levels and battery voltage via the operating unit of the SatNav device.
- 49) Only available in combination with TV pre-installation / TV-bracket.
- 50) Second LED-TV only available in combination with the first LED-TV.
- 51) Not available in combination with exterior colours: Lago blue, Line blue, Imperial blue, Yellow, Profondo red, Tiziano red or Campovolo grey.
- 52) When ordering the standard exterior cab colour white, door handles will be black, not painted in vehicle colour.
- 53) The HYMER Smart Battery System (HY-Tec Lithium Battery 50) significantly extends the available electrical energy and thus the self-sufficient standing time of your motorhome. The HY-Tec-Lithium battery 50 offers a significant weight saving of 20 kg with the same capacity compared to a standard 95Ah AGM_II battery and requires only 1/3 of the space. This expandable solution increases the capacity and performance of the lead-acid batteries while increasing the efficiency and lifespan of the overall system. The lithium batteries are connected in parallel to the lead batteries. In this process, the lithium batteries take over most of the charging cycles, while the lead batteries act as backup storage. The battery computer regulates the optimal charge/discharge and also displays the state of charge.
- 54) Halogen fog lights are not available in combination with HYMER Full-LED headlights.
- 55) Not available in combination with the optional special coil spring for front axle.
- 56) Only available in combination with the optional height and tilt adjustment for pilot seats.
- 57) Electric cab door step only available in combination with optional cab door.
- 58) 40 x 40 cm skylight not available in combination with the optional front overhead lockers instead of pull-down bed.
- 59) 5th seat only available when ordered from factory. Retro-fitting of the 5th seat is not possible.
- 60) Option incl. automatic radio switchover from cab to habitation battery.
- 61) Original Mercedes-Benz seats are swivelling, as well as longitudinally / tilt and height adjustable, headrest can be used.
- 62) All adjustment options are available on the Original Mercedes-Benz seats in integral optics.
- 63) Only available in combination with bumper and grill frame in vehicle colour.
- 64) Not available in combination with trailer hitch or trailer hitch pre-installation and 450 kg frame extension.
- 65) Only available in combination with exterior colours: HYMER white, Iridium silver, Tenorite grey or Obsidian black.
- 66) The options trailer hitch pre-installation and removable trailer hitch ball head (incl. pre-installation) are only available ex works and cannot be retrofitted. Please note this when ordering.
- 67) Wet Wiper System only available in combination with rain sensor.
- 68) Only available in combination with Driver Comfort package.
- $69) \ Only \ available \ in \ combination \ with \ Mercedes-Benz\ 7" \ or \ 10.25" \ MBUX\ Multimedia\ system.$
- 70) Only available in combination with the optional Dashboard Charging Package.
- 71) TEMPMATIK and THERMOTRONIC climate control incl. hinged lid for central storage compartment on the dashboard.
- 72) Only available in combination with Driving Comfort Package.
- 73) Only available in combination with the optional smartphone tray incl. wireless charging.
- 74) Leather steering wheel only available in combination with the options Cruise Control, Active Distance Assist DISTRONIC+ or Mercedes-Benz 7" MBUX or 10.25" MBUX Multimedia System.
- 75) Active Brake Assist included when ordering the optional Active Distance Assist DISTRONIC+.
- 76) Only available in combination with automatic transmission, leather steering wheel and Mercedes-Benz 7" or 10.25" MBUX Multimedia System.
- $77) \ Design \ graphics \ Tenorite \ only \ possible \ in \ combination \ with \ exterior \ colour \ Tenorite \ grey.$
- 78) With this option, the Original Mercedes-Benz seats are designed in integral optics.
- 79) When choosing this option, a $40 \times 40 \text{ cm}$ skylight is fitted in the living area instead of the 70×50 panorama skylight.
- 80) Only available in combination with the optional "6 kW warm air heating with 1,800 W electric bar heating, warm water boiler and 142 l absorber fridge" or "6 kW warm air heating with warm water boiler and 142 l absorber fridge".
- 81) If ordered with gas warm air heating, a larger gas bottle compartment $(2 \times 11 \text{ kg})$ is required. Kitchen drawers are therefore sometimes smaller or, depending on the layout, replaced by a flap.
- 82) Altitude set required for longer heating operation of the Combi D at altitudes from 1,500 m to 2,750 m.
- 83) Vehicle dimensions and weights can not be entered separately in the SatNav device.
- 84) Mercedes-Benz voice control only available in combination with Mercedes-Benz 7" MBUX Multimedia system with navigation or 10.25" MBUX Multimedia system. When ordering Mercedes-Benz 7" MBUX Multimedia system without navigation, voice control is not available.
- 85) Only available in combination with Mercedes-Benz 7" MBUX with navigation or 10.25" MBUX Multimedia System.
- 86) New Mercedes-Benz engine and new All Wheel Drive from calendar year 2022.
- 87) All Wheel Drive not available in combination with Mercedes-Sprinter 314/414 CDI.
- $88) \ All \ Wheel \ Drive \ only \ available \ in \ combination \ with \ 7G-Tronic \ automatic \ transmission.$
- 89) When ordering the optional All Wheel Drive, the overall height increases by about 9 cm.
- 90) All Wheel Drive is supplied with summer tyres as standard.
- 91) All Wheel Drive is without ECO-Start-Stop feature.
- 92) Towing capacity and axle loads are reduced when ordered with the optional All Wheel Drive.
- 93) RHD chassis: LED headlights and All Wheel Drive are mutually exclusive. Only one of these options can be ordered.
- 94) All Wheel Drive option only available in combination with 93 I fuel tank.

- 95) Not available in combination with the optional 17" rims.
- 96) All Wheel Drive option not available in combination with the following optional extras: 17" alloy wheels.
- 97) Crosswind Assist is coded out by Mercedes-Benz and therefore without function.
- 98) Only available in combination with All Wheel Drive.
- 99) The 16" studded tyres can only be ordered directly from the factory.
- 100) When ordering tyre pressure sensors, the spare wheel is always delivered with a sensor. If the tyre pressure sensors option is not selected on the base vehicle, the spare wheel may still be equipped with a sensor.
- 101) ML-T 560, ML-T 570: Panoramic skylight above the rear bed not available in combination with solar panels 2 x 90 W.
- 102) ML-T 620: Roof AirCon not available in combination with panoramic skylight.
- 103) 6 kW diesel warm air heating option only available in combination with the Comfort L-shaped seating group.
- 104) 6 kW diesel warm air heating with warm water boiler and electric heating element option not available in combination with floor temperature control (electric) in living area and central passageway.
- 105) Not available in combination with the optional compressor fridge.
- 106) Only available in combination with optional pilot cab seats.
- 107) Electric floor tempering not available in combination with warm water heating or warm water floor heating.
- 108) Traffic Sign Assist on 41x chassis: Always shows the truck-related signage, not motorhome-related road signs.
- 109) Arctic package only available in combination with Comfort habitation door.
- 110) Please note: The front passenger airbag can not be deactivated! Therefore, it is not allowed to attach child seats with restraint system against direction of travel on the front passenger seat.
- 111) When ordering the pull-down bed option, the standard panoramic skylight in the living area is not fitted.
- 112) HYMER Connect App also allows remote control via smartphone. Remote access and control via app and associated fees are included for a period of 2 years. After this period, various functions can still be used to a limited extent.
- 113) Available from approx. model year 2022.
